

# Chat & Play - Sensory

**Wednesday 08 Dec 2021**

Do you want advice for your child regarding a hearing and/or visual impairment or sensory loss?

The ESSI are a small team of specialist teachers qualified to work with children and young people with hearing, vision or multi-sensory losses. We use our specialist knowledge and expertise to support children and young people 0 to 25 years from the point of view of diagnosis and throughout their education. Our main aim is to give all children and young people with sensory impairment every chance to achieve their full potential and to minimise the educational, social and emotional impacts of their sensory impairment.

**Please be aware that these sessions are only open to families that live in the Kingston Borough.**

Please email [kingstonccs@achievingforchildren.org.uk](mailto:kingstonccs@achievingforchildren.org.uk) or click on the link below if you are interested in attending.
