ACTIVITIES

ART

Come and take part in a different art activity each day, ranging from card making, painting, fabric art and much more.

We ask that young people bring a top that they don't mind getting dirty. We will try to keep everything clean however sometimes accidents happen and we don't want young people to ruin their clothes.

COOKING

Come and learn some amazing cooking skills from our amazing youth workers. Some call us 'Jamie Oliver' and 'Mary Berry' but we are looking to help young people create their own healthy meals and snacks.

DROP IN

A daily drop-in session for young people that provides a safe space for them to come and chat to youth workers and take part in activities.

Young people will have access to activities such as cooking sessions, music production, art workshops, gardening, healthy relationship and lifestyle discussions, fitness and the gym, and more.

Young people also have the chance to speak to youth workers about their problems, college life, friendships, relationships, lifestyle choices, university planning, and more.

GYM

Come and improve your fitness, our youth workers are also personal trainers and will put you through your paces in a some fun workshops, bring a bottle of water and dress appropriately, suitable for young people with any fitness and confidence level smoother.

MUSIC PRODUCTION

Have an ear for music and want to explore it a bit more? get down to our studio and learn how to build a song from start to finish, music production, beats, rap, singing, rehearsing and learn some new skills.

PHOTOGRAPHY

Do you have a creative flare for photography? Come down and show us how it's done, we will have a photographer coming down to give some hints and tips to get the best photographs possible.

HOW TO JOIN AND WHAT HAPPENS ON YOUR FIRST DAY

To book your places, please visit our booking system:

whittonyouthzone.eventbrite.co.uk

Any new young people who attend the youth centre for the first time will be asked to fill in a membership form with emergency contact details etc. We ideally want a parent or guardian to fill this in for young people under the age of 16 however young people 13+ can fill in their own forms and will contact parents to check the details. Young people under the age of 13 without a membership form filled in from a parent or guardian can not remain onsite. Membership is free and sessions are free unless however wise stated.

Membership forms can be emailed to parents if requested.

Once you have booked your place and filled in a membership form you are ready to go and take part in a wide range of activities.
