

# Children's flu clinics 2025-2026

Our flu clinics are open to all children and young people aged 4-16. They are primarily invited to a clinic in the borough in which they live or attend school. However, children and young people are welcome to attend a clinic in any borough which best suits them.

As well as offering the nasal flu spray and the porcine-free injectable flu vaccine, we will also offer MMR at these clinics, to any child who is not fully vaccinated.

Further clinics may be arranged as and when deemed necessary by the service. Details of these clinics can be found on our website: [South London Children and Young People's Community Immunisations](https://cypcis.kingstonandrichmond.nhs.uk/flu/2025/book). All clinic details are correct as of September 2025

Many of our clinics are walk-in. Parents can also book appointments by contacting teams directly, or by using this link: <https://cypcis.kingstonandrichmond.nhs.uk/flu/2025/book>. Contact details can be found below, or on our website.
