Special Educational  
Needs & Disability

<b>1. Your name and Ofsted number:</b> Debra Morgan EY42397
<b>2. If you work with another childminder does anyone specialise in SEN and D?</b> no
<b>3. Provide a short paragraph about your ethos/mission statement for including children and young people with Special Educational Need and Disability (SEND). How do you aim to meet the unique needs of the child?</b> <p>Everyone has the potential to achieve in life and become important members of society. To work with other providers.</p>
<b>4. How do you identify that a child is not meeting appropriate age related milestones and what do you do in this case? How do you find out what matters to the child and their family?</b> <p>By following EYFS, always talk to parents and offer advice where to go next. By filling in an 'all about me' sheet and 'A summary of my learning and development' sheet.</p>
<b>5. How do you promote positive relationships and ensure good, ongoing communication with families? How will families know what progress their children are making, how to access additional support and what they can do at home to help?</b> <p>I do a journal every day for each child.</p>
<b>6. How will you communicate with other providers who care for a child, or with providers who will be caring for the child? How do you support children to experience a smooth transition to school or a different situation?</b> <p>By providing daily journal or by phone call to providers involved.</p>
<b>7. How do you provide an enabling environment for all the children in your care? Are there quiet areas and fully accessible spaces? What other adjustments can you make? What about the physical environment in and outside your setting?</b> <p>We go out every day to playgroup, and we go on walks to parks, woods, when raining we go puddle jumping. Children can play in the garden when they want to.</p>
<b>8. There is an opportunity here for you to tell families what experience you have of working with children with additional needs.</b> <p>I brought up my own son with ADHD. I am supporting a child with Autism at the moment.</p>
