

# INSET Training for Teaching Deaf Pupils

Thursday, 24 January 2019 @ 1.30pm to 3.30pm

Orion Primary School, Grahame Park Way, London NW7 2AL

This INSET training is tailored for Teachers, TAs and SENCOs working with hearing impaired/deaf children.

During the INSET training, we will look at individual audiograms and what they mean. We will also look closely at the impact hearing loss can have socially, educationally and on communication. We will explore strategies to support the children you work with to ensure they reach their full potential.

We would also like you to experience listening through a hearing aid and a radio aid system, giving you a good insight to what it is like to wear a hearing aid in different environments. We are also keen to show you how to troubleshoot problems that might occur with hearing aids.

To book a place please email [ann.east@barnet.gov.uk](mailto:ann.east@barnet.gov.uk) or call 07771 613496 .
