

BARNET EARLY INTERVENTION CENTRE

‘Leading on Good Autism Practice’ Early Years - 1 Day Training Course

For all staff who lead and support others working with children with autism in all types of early years settings

Aims of the Course

- Enhance staff knowledge and understanding of good autism practice.
- Help staff question, evaluate and develop practice within their setting.
- Provide staff with the tools to evaluate their own knowledge of autism, to audit staff training needs and to gain an overview of whole setting practice using the AET early years autism standards and autism competency framework.
