This programme is aimed at parents of pre-school aged children who have received a diagnosis of Autism.

Teachers and therapists will deliver modules designed to increase your knowledge and skills with understanding and practical strategies to implement at home. The programme also allows parents to share their ideas and knowledge with other parents and professionals.

The modules have been designed based on feedback from parents (collated over the past few years), updates in current research and good practice.

We ask that you commit to attending 5 out of 8 modules. We appreciate that you may not be able to attend the sessions consecutively so we will be repeating the programme again in November.

To accept a place please email beam.team@barnet.gov.uk with your name and your phone number.

To find out more about our Barnet services see our Local Offer website www.barnetlocaloffer.org.uk.
