

## BEAM Service Delivery Overview Summer Term 2022 (April– July)

**BEAM CRITERIA:** 1. Pre-school age 2. Diagnosis of Autism 3. **Not** attending a Barnet specialist nursery 4. Residing in Barnet

### NEW TO BEAM

Starting school in Sept 2023

Starting school in Sept 2022

#### BEAM Summer Virtual group

We are excited to run our second year of online group sessions with **Jennifer** and **Samantha** (BEAM facilitators). We invite our younger autistic children who are new to BEAM to join and participate in fun songs and activities, focused on attention building, improving joint attention and promoting predictability. We will also send recorded sessions to families each week.

After each session we are offering virtual drop in time to chat with other parents and gain support from Jennifer and Samantha.

*\*Your child will be allocated a BEAM facilitator and offered home support package in September.\**

Additional:

Continued access to **BELS Autism Parent Programme**– virtual via ZOOM

#### Transition package

Sessions including:

- BEAM facilitator to be allocated
- **4 x home sessions**– modelling strategies for social communication and emotional regulation + planning for transition to school.
- **1 x SCERTS assessment**—virtual—to gather a baseline and areas for targeting. This is shared with your child's new school.
- **1 x Transition meetings with new school + nursery**

Autumn term:

- **1 x meeting with school** in Autumn term
- **1 x visit to school** to model a BEAM session in Autumn term.

Additional:

- Continued access to **BELS Autism Parent Programme**– virtual via ZOOM
- **Starting school information session** via TEAMS with follow up peer support groups.

### CONTINUING WITH BEAM

Starting school in Sept 2023

Starting school in Sept 2022
