# SENDIASS

**Special Educational Needs and Disabilities  
Information Advice and Support Service.**

**How to have your say about the future.**

## About SENDIASS

We support:

- Parents and carers
- Young people aged 16+

The service is free and confidential. We do not take sides. We give people information and advice.

The law says that every local area must have a SENDIASS service.

# SENDIASS in Richmond and Kingston

[SENDIASS in Richmond and Kingston](#) has been run by a charity called *Kids*, since 2015.

The service is led by Jonathan Rourke.

We have an agreement (a contract) with *Kids*. It says that they will run the service until March 2023.

We want to find out what families and young people think should happen next. This will help us to make decisions.

## The future

There are number of things that could happen next:

- *Kids* could keep running the service
- A different organisation could run the service
- SENDIASS could be run by Achieving for Children

Families told us they want to be involved in making decisions about the future of SENDIASS. They can:

- Take part in workshops
- Fill in our [survey](#)
- Help to plan the new service
- Help to choose who runs the service
