# Welcome to your Post 16 options in Barnet

<b>A levels</b>	<p><b>Advanced level qualifications (known as A levels)</b> are subject-based qualifications that can lead to university, further study, training, or work. You can normally study three or more A levels over two years. They're usually assessed by a series of examinations.</p> <p>If you're thinking about going to university, most higher education courses require specific A levels or combinations of A levels (or alternative level 3 qualifications). If you're not sure what career or job you want to do, studying a selection of A levels can be a good way of keeping your options open.</p>
<b>BTECs</b>	<p><b>BTEC</b> stands for the Business and Technology Education Council. BTECs are specialist work-related qualifications that combine practical learning with subject and theory content. BTECs are designed for young people interested in a particular sector or industry but who are not yet sure what job they'd like to do. You could study a BTEC at Level 2 or 3, either alongside academic qualifications or as part of a wider programme (such as an apprenticeship). You can also study a BTEC as a standalone course.</p>
<b>Cambridge Technicals</b>	<p><b>Cambridge Technicals</b> are vocational qualifications at Level 2 and Level 3 for students aged 16+. They're designed with the workplace in mind and provide a high-quality alternative to A Levels with a great range of subjects to choose from.</p>
<b>T Levels</b> <i>Coming to Barnet soon</i>	<p><b>T Levels</b> are an alternative to A levels, apprenticeships and other 16 to 19 courses. Equivalent to 3 A levels, a T Level focuses on vocational skills and can help students into skilled employment, higher study or apprenticeships. Each T Level includes an in-depth industry placement that lasts at least 45 days.</p>

## **BELS Post 16 Projects & Programmes**

---

**BELS offers a variety of Post 16 services to support young people between the ages of 13 and 24 with the information, advice and guidance they need to succeed in the classroom and in their careers.**

**Our highly qualified team works in schools, colleges, and a wide range of community venues working with over 3,500 young people each year to equip them with the skills, knowledge, and support they need to achieve the career they want.**

# Careers advice for young people in Barnet Provided by BEETS

## Barnet Education, Employment and Training Support

Our service provides careers guidance, information, and advice for young people in Barnet after leaving Year 11 until the age of 19 (or 25 for young people with statements/EHCP).

All young people now need to continue in learning at least until their 18th birthday. This is called Raising the Participation Age (RPA)

### We can advise you on the following options:

- Remaining in full time education or training in a school, college or with a training provider
- Applying for an Apprenticeship, Traineeship or Supported Internship
- Getting a job, becoming self-employed or a volunteer for more than twenty hours a week, including doing part-time training or education alongside (usually approximately one day a week)

### We can help you with the following:

- Career's guidance
- Writing CV's
- Interview techniques

### For more information on colleges, apprenticeships, and employment:

- <https://nationalcareers.service.gov.uk>
- <https://www.apprenticeships.gov.uk>

### How to contact us

If you're unsure or would like further advice on what you can do after leaving Year 11, please contact the team and our qualified careers advisers will get in touch

For further information please call

 020 8359 2011

# RON Mentoring Programme

- Are you finding it challenging to keep up with the pace at which things are changing in this COVID landscape?
- Would you like to have clarity about your identity, your worth and the things that you value most?
- Would you like to tap into the power of your motivation and confidence while unlocking your potential?
- Have you ever wondered who you could be if you overcome your limitations and the challenges you are facing?

## This Mentoring Programme will help you to:

- Focus on their potential and not your past performances
- Develop the courage to step outside of your comfort zone
- Identify that transformation begins with a changed mindset – a changed mindset will help you to gain new insight about where you are now and where you want to be
- Identify the barriers to transformation
- Develop resilience
- Gain clarity about your vision and purpose
- Discover what you are good at

We are currently offering Mentoring support to young people in Barnet between the ages of 15 to 19  
For further information please contact ✉ [Anne-Marie.Francis@barnet.gov.uk](mailto:Anne-Marie.Francis@barnet.gov.uk) ☎ 07707 276 851

## Programmes for young people aged 18-24 who are in Care, Care Leavers, Homeless or at Risk of being Homeless

**These programmes provide support to help you find employment, apprenticeship or training, to launch your career. You will be allocated a dedicated Caseworker who will provide one-to-one support with:**

- developing your CV
- careers advice
- job searching
- completing applications
- interview practice

You will also have access to a Mentor who will help build your confidence and motivation if you also feel this would be helpful.

Your Caseworker or Mentor will continue to provide ongoing support for at least the first six months of any role or course you start.

All referrals are through your Social Worker, Personal Adviser or a Health Care Provider. The Caseworker will also work closely with the Personal Adviser or Social Worker and Mentor to ensure consistency and avoid 'duplication' of actions.

For Further information, please contact:

Alexa Twomey ✉ [alexa.twomey@barnet.gov.uk](mailto:alexa.twomey@barnet.gov.uk) ☎ 07707 277 092

Georgia Herd ✉ [georgia.herd@barnet.gov.uk](mailto:georgia.herd@barnet.gov.uk) ☎ 07707 276 888

# Routes into Employment / Construction Programme

Routes into Employment is a **free, short pre-employment course** to prepare, train and guide candidates through each stage of a Traineeship/Apprenticeship/Job application. The course includes tailored support and training to help you pass the specific assessments, building on skills such as CV improvement, communication, and job specific knowledge. Our dedicated careers advisors will guide and support you on your chosen path.

## Key pathways into employment, training or further education

- College
- Work experience
- Volunteering
- University
- Start your own business
- Employment
- Apprenticeships
- Training to gain BTEC Level 1- 3 or Vocational Qualifications in various subjects

## Have you considered jobs in construction?

The Construction Programme is designed to inspire and support young people to achieve their full career potential in the Construction sector. We offer additional support to those most likely to miss out on opportunities or are facing barriers to employment. We help young people recognise their potential and discover opportunities that have never previously been presented to them. We believe that by building long-term relationships with local schools, organisations, and industry employers in our community, we will have a greater impact on the aspirations and career journeys of the young people we work with.

We want to dismantle the misconstrued and outdated perception that many young people have of the industry. The breadth of roles available within the Construction environment is huge and diverse. There are a range of real jobs and rewarding careers the modern industry has to offer our young people.

## Routes into construction training programme overview

### • Introduction

Routes into Construction is a 6–8-week programme designed to prepare young people for work or Further Education through training coupled with work experience in the Construction Industry.

### • Who is the training programme for?

You are eligible to join the course if you are between 18 and 24 years and not in Full Time Employment, other Full-Time Training or Apprenticeship. You will also need to demonstrate an interest in Construction/Engineering.

### • What is taught on the training programme?

Construction Health & Safety Level 1 Award. Personal Development Skills for successful employment. CV writing and Interview Skills. Work placement with a Construction Company.

### • What qualifications will I gain?

Anyone wishing to be employed on a Construction site must hold a CSCS card. As part of the training, you will be entered for the Health and Safety and Environmental exam and if successful you will be able to apply for the CSCS card.

### • What happens at the end of the programme?

At the end of the training programme, you will continue to receive support from the Routes into Construction Team to enable you to obtain suitable sustained employment and or training.

**For Further information please contact Marsha Latrous, Programme Manager**

# T-LEVELS

## WELCOME TO THE NEXT LEVEL

T Levels are a 2-year qualification designed to give you a head start towards the career you want.

The government has developed T Levels to deliver world-class technical education and give you a new choice after GCSEs.

## LEARN YOUR WAY

T Levels involve more classroom study than apprenticeships, which means you can experience an industry while you continue your studies.

Like A levels, there are no tuition fees to study a T Level if you start before you are 19. Schools and colleges set their own entry requirements, so check their website or contact them direct to find out more.

## T LEVEL SUBJECTS

The first T Levels started in September 2020 at selected schools and colleges in England.

More T Levels start in the following years until more than 20 are available, covering everything from agriculture to catering and engineering to science.

## GET AHEAD IN YOUR CAREER

T Levels give you the chance to learn what a real career is like while you continue your studies.

Your industry placement will last for at least 45 days – when and how you complete it depends on the T Level, college and employer.

## CREATED WITH BUSINESS

T Levels have been designed with leading businesses and employers to give you the knowledge and skills you need.

More than 250 businesses – including Fujitsu and Skanska – have been involved so you can be confident your T Level will move you to the next level.

## QUALIFICATIONS THAT COUNT

When you pass your T Level, you will get a nationally recognised certificate showing the overall grade you achieved – pass, merit, distinction or distinction\*.

It will also give details of what you learned on the course to help you move into skilled employment or a higher apprenticeship.

## AWARDED UCAS POINTS

Your T Level will be worth UCAS points – a T Level Distinction\* is worth the same as 3 A levels at A\* – and will be recognised by universities and other education providers so you can choose to continue studying if you wish.

# T-LEVELS

## How do T-Level grades work?

T-Level grades will be given as:

Pass	Merit	Distinction	Distinction*
------	-------	-------------	--------------

T-Levels will provide several progression options to students. These include skilled employment, an apprenticeship and higher education. To help T Level students get into higher education, UCAS tariff points will be allocated to T Levels.

UCAS points will only be allocated to the overall T Level grade. Students must achieve at least an overall pass grade to receive UCAS points.

Check out the guide below for how UCAS tariff points will work for T-levels:

UCAS tariff points	T-level overall grade	A-level
168	Distinction*	AAA*
144	Distinction	AAA
120	Merit	BBB
96	Pass (C or above on the “core”)	CCC
72	Pass (D or E on the “core”)	DDD

 **EQUIVALENT  
TO 3  
A LEVELS**

T Levels are an alternative to A levels, apprenticeships and other 16 to 19 courses. Equivalent to 3 A levels, a T Level focuses on vocational skills and can help students into skilled employment, higher study or apprenticeships.

 **A 45-DAY  
INDUSTRY  
PLACEMENT**

Each T Level includes an in-depth industry placement that lasts at least 45 days. Students get valuable experience in the workplace; employers get early sight of the new talent in their industry.

 **80%  
CLASSROOM,  
20% WORK**

T Level students spend 80% of the course in the classroom, learning the skills that employers need. The other 20% is a meaningful industry placement, where they put these skills into action.

For Further information go to: [www.tlevels.gov.uk/students](http://www.tlevels.gov.uk/students)

# Post 16 Schools & Colleges

---

Barnet is well known for the excellent quality of its education and the diversity of its educational offer. These are at the heart of Barnet's continuing success as a desirable place where people want to live, work and study. Excellent educational outcomes and ensuring children and young people are successful in life and equipped to meet the needs of employers are vital to Barnet's future success.

Barnet has 25 secondary schools, three all-through schools, five special schools with pupils of secondary age and two pupil referral units. There is also one sixth-form academy and one General Further Education College.

## Inclusive Sixth Form

This is an A Level programme for students who seek additional flexibility to achieve at A Level.

It is ideal for students who wish to engage with education whilst dealing with emotional issues such as anxiety, depression and eating disorders. It may also be appropriate for learners with other medical issues.

The programme is for 16–18-year-olds and offers a flexible nurturing approach to learning and the opportunity to complete a wide range of A Levels.

There are only 20 places available and potential learners should apply as soon as possible.

## Year 14 Revision and Resit Programme

This programme is for year 14 students who wish to boost their grade profile and progress to Higher Education.

The Revision and Resit Programme is a highly structured full-time course and students need to maintain a focused dedicated approach to their studies.

## 2022/23 Vocational Offer

Plumbing  
Public Services  
Sports

For school leavers we also offer a GCSE Science package <https://www.barnetsouthgate.ac.uk/science/gcse-science-package>

# Apprenticeships & Supported Internships

---

**Apprenticeships** are an exciting option - you get hands-on training and the chance to put your skills into practice.

An apprenticeship is a real job where you learn, gain experience and get paid. You're an employee with a contract of employment and holiday leave.

**Supported Internships** provide on-site practical work training, for young adults with special educational needs to gain work skills, leading to competitive paid employment.

# Apprenticeships

A real job, with hands-on experience, a salary and the chance to train while you work. You're treated just like all the other employees, with a contract of employment and holiday leave. If you're 16 or over, you can become an apprentice as long as you spend at least 50% of your working hours in England for the duration of the apprenticeship and you are not in full-time education.

## When you are an apprentice...

- you get paid and train at the same time, with at least 20% of your time spent in off the job training, often at a college, university or with a training provider
- you train to be fully competent in your chosen occupation

Your apprenticeship can take between one and six years to complete, depending on which apprenticeship you choose, what level it's at, and your previous experience.

Different apprenticeships are available all over England, at companies large and small, in a wide range of industries and organisations. From local organisations to large national brands. You get valuable hands-on experience working whilst you learn, which helps you progress in your working life.

To find an apprenticeship,  
visit  
[www.apprenticeships.gov.uk](http://www.apprenticeships.gov.uk)  
or contact  
Barnet and Southgate  
College on  
[www.barnetsouthgate.  
ac.uk/apprenticeships](http://www.barnetsouthgate.ac.uk/apprenticeships) or  
telephone 0208 266 4000

**Progression Route for all Learners either into further Education/Training or into employment**

# SUPPORTED INTERNSHIPS

Supported Internships provide on-site practical work training, for young adults with special educational needs to gain work skills, leading to competitive paid employment.

They are designed to develop transferable skills, knowledge and attitudes in readiness for paid employment. Students can develop Employability, Customer Service, Confidence, Maths, English and ICT whilst working alongside employees in a real employment setting.

The classroom based learning at the workplace enables young people to try out different work roles, supported by a job coach.

## Benefits of the programme:

- Participate in a variety of placements at a high status local employer
- acquire competitive, transferable and marketable job skills
- gain increased independence, confidence, self-esteem and friendship groups
- receive work-based individual instruction, coaching, support and feedback from the job coach, tutor and host business managers
- access to qualification in English, Maths and Work Skills.

## Supported Internships in Barnet:

Here are a few of the supported internships (SI's) providers that Barnet Council are currently working with... but we also have links to at least 30 others.

If you are interested in finding out more about the different SI's on offer, please kindly contact our team via email: [supported-internships@barnet.gov.uk](mailto:supported-internships@barnet.gov.uk)

### PROJECT CHOICE

a Specialist Post-16 College that delivers an OFSTED and Education Skills Funding Agency approved curriculum

### TRANSPORT FOR LONDON (TfL)

The Supported Internship initiative at Transport for London (TfL) – the 'Steps into Work' Programme

# Transport for London (TfL)

## The 'Steps into Work' Programme at Transport for London (TfL).

This Supported Internship initiative is a collaborative venture between key partners:

**Host Employer:**

Transport for London (TfL), TfL Offices, 5 Endeavour Square, London E20 1JN

**Lead Authority:** London Borough of Barnet

**Contact:** [stepsintowork@tfl.gov.uk](mailto:stepsintowork@tfl.gov.uk)

**Programme Date:** Sept - Aug

**Entry Requirement**

for this programme is that students are 16 years + with learning disabilities or on the autism spectrum and it is helpful to have an Education, Health and Care Plan in place but may not be necessary in certain circumstances. The student must commit to a 5 day a week programme, Mon-Fri from 10:00am until 3:30pm. Students must be an independent traveller, be able to study at Level One and must have a strong interest in public transport.

**Programme**

Students will have the opportunity to gain practical experience in the workplace whilst learning and developing employability skills. They will study for a BTEC Level 1 qualification and will be students of Barnet & Southgate College and not TfL employees. The programme, is based in TfL's offices in central London and is made up of three unpaid work placements, mainly in offices across TfL, supported by tutor and job coaches. Those aged 18 or over will also have the option of working as a customer service assistant (CSA) in a London Underground station. Most work placements are within TfL but some are with TfL's partner organisations including the Greater London Authority.

**WORK EXPERIENCE offered by the programme include:**

- Administration – sorting and delivering mail to departments; filing, photocopying, scanning, data entry
- Office support – sending emails, setting up IT and equipment for meetings; create and issue letters; stationery orders, organising meetings; labelling files for archiving; storing and shredding.
- Customer Service – meeting visitors; helping with enquiries, responding to phone enquiries.

Health Education England (HEE) provides supported internships for learners who have an Education Health & Care Plan, through a programme service-provider called 'Project Choice'.

Project Choice is a Specialist Post-16 College that delivers an OFSTED and Education Skills Funding Agency approved curriculum, that links into additional NCFE accredited provision. All educational-based delivery is embedded into a learner's work-place training and learning.

We have over a hundred learners across several local authorities, in the UK and our staff work closely with over 10 National Health Service (NHS) trusts. Project Choice provides learners with the opportunity to complete up to three work-role rotations, most of which are in hospitals but some placements have occurred in private or public-sector settings.

Project Choice also make provision for enhancing a learner's literacy and numeracy skills. English and mathematics skills are embedded within our supported internship programme; and accreditation can arrange if and where applicable.

**Host Employer:** NHS organisations, the independent sector and private business.

**Education Partner:** Project Choice

**Supported Employment Partner:** Project Choice

**Lead Authority:** London Borough of Barnet

**Contact:** [project.choice@hee.nhs.uk](mailto:project.choice@hee.nhs.uk)

**Programme Date:** Sept – July

## Entry Requirement

Entry requirements for this programme are that students are aged 16-24, have a learning disability and an Education, Health and Care Plan in place, who also:

- would like to find a job
- will be ready for work after completing the programme
- will be able to travel independently by the end of the programme

## Programme

The internship programme is a full-time study programme that runs throughout the academic year (September to July)

- Interns will be offered up to three placements, lasting 10-12 weeks each
- Four days per week are spent in the work place, with one day in the classroom.
- Interns are supported by a Workplace Mentor, Project Coordinator and an Area Manager. Students may benefit from the support of a Job Coach, in the work place, on a daily basis should they require one.
- In the classroom, Interns learn about employment and develop employability skills, as well as having study time to improve Maths and English.

# Project Choice

## Post Internship

Interns are supported after their internship ends. Sustaining employment is key to us, and we are committed to helping Interns to achieve this objective in addition to their additional goals.

This support includes:

- Pastoral support
- Professional support in meetings, e.g. appraisals, occupational health, etc.
- Coaching preparation for progression interviews
- Offering two-way support through Project Ambassadors and Mentors for new Interns.

## Examples of WORK placements offered include:

- **Administration** – Scanning documents, admin duties, emails, filing, and telephone work, Typing documents when needed
- **Library Support** - Book stacking, scanning in and out of books
- **Goods In Porter** - Meeting the public, taking receipt of goods, despatching of goods, signing and checking deliveries, updating information on to in-house system. Pack deliveries to be picked up
- **Postroom Porter** - Emptying post bag, sorting post into pigeon holes, delivering and collecting post. Franking and dispatching mail
- **Reception** - Meet and greet public, taking deliveries, answering phones, meeting room management, photocopiers, setting up meeting rooms and keeping tidy, receiving and sorting internal post, dispatching internal post
- **Payroll Admin Support** - photocopying, computer work, saving documents, sorting post for department, taking messages
- **Tradesman Junior** - Assist Supervisor/Fitter on commercial equipment throughout the Trust. Working alongside the maintenance team
- **Finance Administrator** - Computer data entry, working with excel, sending emails, filing, photocopying, collecting and distributing post.
- **Catering** – Assist with picking and packing of hospital meals. Assist with the delivery of meals to patients and colleagues in both public & private care.
