

Our Time Forum top 5 priorities 2022 (To achieve our priorities we will need to fundraise for equipment and running costs)	Action
Co-Production/Inclusion/Promotion/Recruitment <ul style="list-style-type: none"> • We want to work with professionals to develop a Co-production Charter for Young People with SEND • Promote Inclusion – new video, attending events, talks to YP and professional • Further promote Forum among YP and professionals • Further recruitment – using buddy system for new members and developing further links with Spotlight 	<ul style="list-style-type: none"> • We will get group of young people with SEND and professionals working with us to co produce Charter for all services and professionals in tower Hamlets • We have written emails to SENCOs to promote Our Time Forum and YP Ambassador Programme so that we can get more young people to join us. • We are speak to different Youth Services regarding methods that can be used for making young people with SEND feel included. • We will get Young People with SEN to do a survey to find out about their experience from Youth Service Providers
Developing website and social media <ul style="list-style-type: none"> • Local Offer (represented on advisory board) • SEND IASS website (SEND IASS YP Steering Group) • Twitter • Instagram • What's App • Facebook 	<ul style="list-style-type: none"> • Local Offer – to look at the young people zone and further beyond. • Making changes to the SENDIASS website to make it more applicable to young people. • Social Media – to promote Our Time, promote SEND by using Our Time's social media account. • Two members to have access to social media, posting activities with YP with SEN, behind the scenes, when making a film.
My Healthcare Experience <ul style="list-style-type: none"> • We want to work with GPs and other Health professionals to help them understand our conditions and respond accordingly to our needs. • Arrange meetings/workshops with Health professionals to work in coproduction to improve services 	<ul style="list-style-type: none"> • We have spoken to members of Our Time Forum to find out about each other's healthcare experiences. • We have raised our concerns with SEND professionals at the SEND Improvement Board regarding the difficulties around receiving healthcare treatments with SEND.

	<ul style="list-style-type: none"> • We are going to reach out to young people with SEND to find out about their healthcare experience and discuss what can be done to make healthcare services user-friendly for those who have SEND. • We will then reach out to healthcare professionals regarding what they can do differently to provide treatments to those who have SEND. • To provide GPs with training • making the NHS app user friendly for people with SEND.
<p>Film making/Our Time</p>	<ul style="list-style-type: none"> • We have discussed about making the videos and we are going to work as a group to make SEND visible through making these videos. • We will get a professional film maker to do the filming for our videos about SEND. • We created a storyboard for each video. • We will start to make the film after the exam and when the weather gets warm.
<p>We are going to make videos on</p> <ul style="list-style-type: none"> • Becoming independent – how parents can encourage and support • Living with SEND, • Services at YPAC including Our Time Forum and being an YP SEND Ambassador. 	
<p>Let's Talk SEND 14+ 5th July</p>	<ul style="list-style-type: none"> • We will talk to parents and professionals about the needs of young people with SEND, • How to be supportive, • What are the requirements and ways to promote positivity • Senior Leaders plans to improve
<ul style="list-style-type: none"> • Having a session designed by YP so Senior Leaders can share developments with parents/ and YP about improving services
