

Team Around the Child (TAC) plan progress review

Date of TAC mee	ting				Location:				
Name of the child and NHS number		Date	of birth Did the child attend the meeting?			Name of attending parent(s) / carer(s) with PR			
						<u> </u>			
Name of the lead		Agency Contact		letails Has the		the LP	LP changed since the last		
professional (LP)					review		ew? <i>lf</i>	If yes, please explain	
Members of the	TAC and me	eting	attendance						
Name	Agency		Contact det	ails	Invited?	Attend	ed?	Contributed to this	
								review? How?	
								i.e. 1:1 work w/child;	
								sent report; attended	
								TAC	

How has the child/young person contributed to this review	ew i
---	------

Attach any pictures, writing etc. that the child has done to portray their thoughts and feelings Attach observations and parental comments for very young children Always use the exact words of the child, young person or parent

Things we identified for change at the last assessment or review	The actions we agreed to deliver the change
Bring forward from previous assessment or review	Bring forward from previous assessment or review

What has happened since the last assessment or review?

What needs remain to be addressed? Any issues making things harder to deal with?	What is going well? How do we know things have improved?			
Progress review relevant to actions agreed at previous assessment or review				
What do we need to see to know that the TAC can close				
Scaling – having reviewed the progress for your child in parent and lead professional should scale – please write	·			
0 1 2 3 4 5	6 7 8 9 10			
Worried	All is well			

Updated goals – what needs to happen next?

What do the child and family think should happen next?	Action(s)	Who will do this?	When?	How will we know it has made a difference? (what will it look like)
Bring forward remaining issues				
Add new goals				
What else do the TAC professionals think needs to happen?	Action(s)	Who will do this?	When?	How will we know it has made a difference? (what will it look like)
Bring forward remaining issues				
Add new goals				

Does the child or family want to make any further comments?				

I have contributed to, and agreed the content of this plan:
