

# Supported Internships

**Are you 16-24 years old?**

**Do you have an EHCP?**

**Do you want to work?**

If you answered **'yes'** to all these questions, then a **Supported Internship** may be the right programme for you.

A supported Internship Programme is a full-time study programme that runs from September to July (academic year)

## Interns will:

• Monday •

• Tuesday •

• Wednesday •

• Thursday •

• Friday •

- Be offered work placements
- Spend some days in the week learning about employment, developing employability skills and study time to improve your English and Maths
- Spend some days in the week at your work placement where you will be supported by a mentor and a job coach if needed
- Where successful, your placement could lead to 'paid employment'
