

# Parent Authorisation Form

## 2, 3 and 4 year old early education entitlements

### Academic Year 2023/24

This form collects information from parents/carers to assess and process **Early Education Entitlement (EEE)** hours, eligibility for Early Years Pupil Premium (EYPP) and eligibility for Disability Access Fund (DAF).

It is mandatory to complete a parent authorisation form for each setting your child attends for their EEE and thereafter complete a new form where there are changes to any details previously submitted. This form must be completed, signed and returned to your provider within set deadlines to be able to access the free entitlement.

**To access the 2 year old entitlement, you must have made an application to Achieving for Children even if you have been granted eligibility from a different borough.**

**If you wish to transfer your entitlement to a different provider you must give four weeks' written notice to your existing provider. Your child will not be able to access their early education entitlement at a new provider until the week following the end of the four week notice period.**

**A false declaration may result in your early education entitlement being withdrawn.**
