**THE ROYAL BOROUGH OF  
KINGSTON  
UPON THAMES**

The school admissions service is provided by Achieving for Children, in partnership with the Royal Borough of Kingston upon Thames.

The information in this guide relates to the school year beginning September 2025. It provides information for pupils transferring to secondary school at the end of Year 6. It should be read together with the 'Kingston's infant, junior, primary and secondary schools brochure' available on [the Achieving for Children website](#) which provides information about the state-funded schools in Kingston.

For the purpose of this brochure the term 'parent' is used to mean parent or carer unless otherwise differentiated.

The normal admissions round is defined as the period when parents are invited to make an on-time application for transfer to secondary school and a determination is made by the authority on the national offer date. Applications to transfer into Year 7 in a secondary school in September 2025 must be completed by Kingston borough residents only.

Please provide a copy of any supporting documentation requested as we will not be responsible for the return, loss or damage to any original documents supplied.

The information in this brochure relates to the whole application process which runs from 1 September 2024 to 31 August 2025. It was correct in June 2024 and is subject to change throughout the academic year.

Responsibility for information printed here relating to academies or the free school lies with the governing body of the school concerned, and not with Kingston Council or Achieving for Children.

If you have any questions regarding school admissions, please contact the team, including your child's name and date of birth in the body of the email.

# SECTION 1: Key dates for the admissions process

This brochure is only intended for parents applying for children who are eligible to transfer into Year 7 at a secondary school in September 2025 as part of the normal admissions round which ends on 31 August 2025. The normal expected birth date range for eligible children is between **1 September 2013 and 31 August 2014**.

If you want to apply to transfer your child into Year 7 **after 31 August 2025**, or you want to apply for your child to transfer into Years 8 to 11 at any time, please read the separate In Year transfer brochure available on the [Achieving for Children](#) website for information on the application process.

## SECTION 2: Six steps in applying for a secondary school place

You must apply for a school place through your home council, even if you intend to include preferences for schools located in another borough. This is the council area where you live and which is responsible for administering the council tax for your property.

The process is the same if you are applying for grammar schools. Please contact them directly if you have any questions relating to transfer testing as we do not have information on this process.

### Children with special educational needs or an education, health and care plan (EHCP)

If your child has an education, health and care plan, you should not complete the application form as your child's school placement will be dealt with by the Special Educational Needs and Disabilities (SEND) team. To contact the SEND Team please email [senteam@achievingforchildren.org.uk](mailto:senteam@achievingforchildren.org.uk).

If your child is undergoing an education health and care needs assessment that is not yet complete, please apply as normal. Your application will be withdrawn if an EHCP is subsequently agreed. If you are in any doubt whether to complete a school application form, please contact the School Admissions team.

### Out of year group requests

It is usual for children to be educated in school years as determined by their date of birth. However there is no statutory barrier to a child aged up to 19 being admitted outside of their normal year group. Parents do not have the right to insist that their child is admitted to a particular year group, but they can make a request for this to happen.

Any request for admission outside of the normal age group will be considered by the admitting authority for the school. Admission authorities must make clear the process for requesting admission outside of the normal age group in their admission arrangements.

Your application will be processed as part of the main admission round unless the request is made too late for this to be possible. The application will be processed on the basis of the determined admission arrangements only, including the application of oversubscription criteria where applicable. Your application will not be given a lower or a higher priority on the basis that your child is being admitted outside of their normal age group.

## Step 1: Understanding the admission process

You have the right to name and give reasons for your child to apply to a particular school. The local authority and schools are committed to meeting parental preference where places are available. However, no places can be guaranteed at any school and you should not make any assumptions about entitlement to a place at a preferred school, your nearest school, a single sex school or a faith school, or a school in the borough based on you living here.

You can apply for up to six state-funded schools on one form. You must list the schools in the order that you prefer them, including any out of borough schools. Do not include independent (private) schools on your application.

You should check if you need to complete a supplementary information form (SIF) for any of the schools you are applying for. If the school is outside Kingston borough, please refer to the relevant local authority or contact the school.

Please apply online [via eAdmissions](#). If this is not possible, an alternative form can be made available to you. **Do not** complete both. If we receive more than one application for the same child, we will consider the most recent application received by the closing date.

If you apply online you will be sent an email advising you of the result of your application on the evening of **3 March 2025**. After you receive this email, you will be able to log onto [eAdmissions](#) to view your application result, and accept or decline your offer of school place online.

If you apply on paper you will receive an email during the evening of **3 March 2025** giving you the outcome of your application and a link to a web form to respond to your offer.

In the event that your child is unplaced on National Offer Day, you will receive a letter setting out your options and the next steps.

### Equal preference allocation process

Each school is considered under an equal preference scheme. This means that an application from a parent who has ranked the school as sixth preference is considered equally to an application on which the school is ranked as first preference. The preference rank is only considered if your child has a potential offer for more than one school.

The order of preference in which you list your schools is confidential. Schools are not told the preference order in which you have listed them.

Putting only one preference does not mean you will be allocated a place at that school. If you do not meet the admissions criteria or the school is oversubscribed, we will offer you a place at the nearest appropriate school with vacancies. This may not be your most local school. Do not name the same school more than once; it will only be considered as one preference.

A summary of the equal preference allocation process is set out below. You should read the guide in full for information on the process and your responsibilities as the applicant.

## Summary of the equal preference process

You must apply to the local authority to which is responsible for administering the council tax for where you live, even if you are naming preferred schools outside of the borough. The deadline to make an on-time application is **31 October 2024**.

Make your application on eAdmissions. If you are unable to use the system, you can request an alternative form from the School Admissions team. You may list up to six schools on the form in preference order.

The admissions system automatically makes schools aware of the children who have expressed a preference for their school. Applications received before the closing date are not dealt with on a first come first serve basis.

**We do not consider your preference order at this time.**

The admissions system ranks the applications for each school according to the admission criteria.

The system uses the published admission number (PAN) for each school to set the status of the children at the top of each list as a provisional offer until the PAN is reached.

If your child qualifies for a place at more than one school, the order of preference will be used to determine (or decide) the highest preference school for which your child has met the admissions criteria.

**This is the point when order of preference is considered.**

Where your child's name does not qualify for a place at any of the preferred schools named on your application, it means we cannot allocate a place at any of the schools you requested. We will allocate a place at the nearest school to you with a vacancy where possible and discuss the next steps with you.

## Order of preference

You should think carefully about your order of preference when you decide how to list the schools for which you are applying. This is because if your child qualifies for a place at a number of schools you will only be made one offer to the school with the highest preference for which your child is eligible. Any offers to a lower preferred school will be automatically withdrawn to ensure each child only receives one offer.

If you apply for selective schools, please be aware that even if your child qualifies for a place, your child will not be offered a place at a selective school if they have also qualified for a school that you list as a higher preference on your application. If you are applying to more than one selective school, you should list the schools in the order that you prefer them.

The following examples illustrate the importance of the order of preference.

**Example 1 - Girls**

PREFERENCE	SCHOOL	QUALIFY FOR A PLACE?	OUTCOME
1st	The Holy Cross School	No	Waiting list
2nd	The Kingston Academy	Yes	Offered
3rd	Nonsuch High School	Yes	Withdrawn
4th	Coombe Girls' School	Yes	Withdrawn
5th	Raynes Park High School	Yes	Withdrawn
6th	Tolworth Girls' School & Sixth Form	No	Withdrawn

**Example 2 - Boys**

PREFERENCE	SCHOOL	QUALIFY FOR A PLACE?	OUTCOME
1st	Grey Court School	Yes	Offered
2nd	Tiffin School	Yes	Withdrawn
3rd	Southborough High School	No	Withdrawn
4th	Chessington School	Yes	Withdrawn
5th	Richard Challoner School	No	Withdrawn
6th	Coombe Boys' School	Yes	Withdrawn

## Changing your order of preference

If you request to change your preferences or preference order after 31 October 2024 and before national offer day, all your preferences will be considered as late applications and considered after all on-time applications.

This could be detrimental to your child's application so please consider carefully before requesting a change of preference. Please contact the School Admissions team for a link to the change of preference request form.

Late applications and change of preference requests received after national offer day will be processed from **Friday 28 March 2025**.

## Step 2: Collecting information about schools

You should gather as much information as possible before you decide which schools you want to apply for.

- Read the 'Kingston's infant, junior, primary and secondary schools brochure' available on the [Achieving for Children website](#) which provides information about the state-funded schools in Kingston, and includes a map showing the location of the schools.
- If you wish to apply for schools in other council areas, contact the relevant council for information on their secondary schools. Contact details for neighbouring councils are in Section 8.
- Contact schools to obtain their prospectuses.
- Look at the schools' admission procedures, historical patterns of admissions on their websites and for information about their open events.
- Visit schools and attend their open evenings. Some schools also have open days when you can see the school operating during a normal school day. Open day information is available on the [Achieving for Children website](#) and in section 4 of this guide. Most schools will make other arrangements if you are unable to attend either of these opportunities. Check the individual school's pages or contact the school for details.
- Information about schools and links to each school's inspection reports and school performance tables are available via each school's website. There is further information the [GOV.UK](#) website
- Speak to your child's primary school headteacher for advice.
- Consider your child's particular interests, abilities and views on the schools visited.
- Consider whether daily travel to and from school is possible within a reasonable time. Check the Transport for London [Plan a Journey](#) facility.

## Step 3: Deciding which schools to apply for

The regulations allow for a parent to express a preference for a school. This is not the same as being able to choose which school your child attends. You should not make any assumptions that your child is entitled to a place at a preferred school, or at the school nearest to your home address, or at a school in the borough based on you being a resident.

It is important to be realistic when considering which schools you name as a preference. Distances of proximity vary every year and you should consider using all the available preferences, including naming local schools which have consistently reached your address in past allocations.

### The admission criteria

If there are fewer applicants than places available for a school, every applicant will be offered a place if a higher preference has not been met.

If there are more applications received than there are places available, the school will use its published oversubscription criteria (rules) to work out which children have the priority and can be offered a place. Any children with a final education, health and care plan (EHCP) that names the school must be admitted before any other children and will be counted in the published admission number.

The criteria for Kingston secondary schools are summarised in the 'Kingston's infant, junior, primary and secondary schools' brochure available on [the Achieving for Children website](#), and published in full on the individual schools' websites. Admission criteria vary depending on the type of school you are applying for and any questions you have about the admission arrangements should be addressed directly to the school. Schools that have faith-based criteria may require a supplementary information form and a reference from a parish priest or other minister of religion. If you are applying for a place at one of these schools, it is your responsibility to read the full admission arrangements, to make sure you understand their admission criteria and provide all required information to the school at the same time as you make your application.

### How places were offered in the last three years

Please look carefully at the admission criteria and how places were offered in previous years for each school. If your application is considered under the distance criterion, your chances of obtaining a place at a school a long way from where you live will be less than at a school nearer your home. You should name your nearest non-selective school (a school that will consider your application on home to school distance) as one of your preferences and use all six preferences. This will maximise your chances of being offered a preferred school.

You will find details of how places were offered at each secondary school in Kingston for September 2024 entry in Section 4 of this brochure, and on the individual schools' website.

### Explanation of terms commonly used by schools in the oversubscription criteria

Please refer to the full admissions policy of the schools you are interested in to check whether a criterion applies and for any variation to the following definitions.

## Looked after children or previously looked after children

The highest priority must be given to looked after children and previously looked after children, including those children who appear to the admissions authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

### Looked after children

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with Section 22(1) of the Children Act 1989, at the time an application for a school is made.

### Evidence requirements

If you are applying for a child who is currently in the care of a local authority, you must provide a written statement from the child's social worker which confirms that:

- the child is currently a looked after child and is subject to a Section 20 Children Act 1989 agreement (signed by parent(s) and the local authority) or a current interim care order, or a current final care order
- the name of the local authority the child has been placed in the care of
- the child is currently placed with a foster carer or in local authority accommodation

### Previously looked after children

A 'previously looked after child' is a child who was previously in state care, but ceased to be because they were adopted (Section 46 Adoption and Children Act 2002), or became subject to a child arrangements order (Section 12 of the Children and Families Act 2014), or a special guardianship (by Section 14A of the Children Act 1989), immediately after having been looked after. It also includes children who appear to the admission authority to have been in state care (defined as in the care of or accommodated by a public authority, religious organisation or any other provider of care whose sole or main purpose is to benefit society) outside of England and ceased to be in state care as a result of being adopted.

### Evidence requirements

If you are applying for a child who was previously in the care of a local authority in England, you will need to provide one of the following evidence according to your child's circumstances below:

- an adoption order made under section 46 of the Adoption and Children Act 2002, including the schedule which confirms details of the date and place of birth, and the placement of the child
- a written statement from the local authority where the child was previously in care confirming the child was in local authority care immediately before a special guardianship order was made, and a special guardianship order appointing one or more individuals to be a child's special guardian(s), under section 14A of the Children Act 1989
- a written statement from the local authority where the child was previously in care confirming the child was in local authority care immediately before a child arrangements order was made, and a child arrangements order settling the arrangements to be made as to the person with whom the child is to live with under section 8 of the Children Act 1989 (as amended by section 12 of the Children and Families Act)

For children adopted from overseas we require a photocopy of the relevant order of proof that the child was in state care outside of England and left that care as a result of being adopted. The order should be translated into English as necessary.

### Brother or sister attending the school (sibling link)

Children are defined as siblings if:

- they are a full, half, step, adopted, foster brother or sister
- they live at the same address as the child named on the application
- they currently attend the preferred secondary school
- they will still be on roll at the time your child will be admitted in September 2025

Priority is given to siblings attending Coombe Boys', Coombe Girls' and Coombe Sixth Form.

It is your responsibility to make sure the relevant sibling's details are included on the application otherwise priority will not be considered.

Children of a multiple birth do not give each other sibling priority until at least one child of that multiple birth has started at the school.

Having more than one sibling currently on roll at a school does not give additional priority.

Please note cousins are not considered as siblings, even if they live in the same household.

### Exceptional family, social or medical need

All Kingston secondary schools have experience of dealing with children with different social and medical needs. It is expected that no more than a small number of applications will be given this criterion in a year, if any. The threshold of acceptance is exceptionally high. Such difficulties must be so exceptional as to be very uncommon in the general population.

Requests for priority under this criterion are considered by the school for which you are applying, not the School Admissions team. It is your responsibility to read the school's admission policy to confirm the requirements to apply for priority under this criterion. You must submit supporting documentary evidence with your application and we will forward it to the school. This evidence must confirm the circumstances of the case, and must set out why the child can only attend a particular school and why no other school could meet the child's needs.

You must provide this supporting evidence by the closing date, **31 October 2024**.

Providing evidence does not guarantee that a child will be given priority at a particular school. In each case, a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.

Please note that if your child has special educational needs or if your child may need additional support in school, but does not have an Education, Health and Care plan, it is not possible to consider their application for a higher priority under this criterion. Your child's educational needs can be successfully supported through effective induction, support and differentiated provision at any school.

Schools do not consider reasons such as your place of work, childcare arrangements or previous family connections to the school to be strong enough to be considered under this criterion. All applicants applying under this criterion are advised that the evidence provided to support their application must be as detailed and objective as possible.

Please note that applicants who submit supporting information to be considered under this criterion will not be advised whether their application is likely to be successful in advance of receiving the outcome of their application on **3 March 2025**. If you apply under this criterion after initial offers are made, the decision will be sent to you after the school has arranged for the evidence to be considered.

### **Children of staff**

Children are defined as full, step, half, and adopted siblings living in the same household. Staff should be directly employed by the school for two years or more before the admission application and at the point of admission, or recruited to fill a vacant post for which there is a demonstrable skill shortage. Some schools may further qualify how staff will meet this criterion. We will confirm your status with the school concerned.

### **Distance from home to school**

The popularity of Kingston schools and the increased number of applications has given a greater focus on home to school distance as an oversubscription criteria.

If your application is likely to be considered under the distance criterion, consider whether you live close enough to the school for your child to qualify for a place. The cut-off distance for admissions for September 2024, has been included in Section 4 of this brochure and is available on the individual school's website. This describes the pattern of admission by criteria for the school at the initial allocation date 1 March 2024.

Historic distance information is only a guide as the cut-off distances vary from year-to-year. Even if you live within the cut-off distances for a previous year, there is no guarantee your child will obtain a place at a particular school for next September. There are a number of factors which can affect the furthest distance met such as the number of siblings, whether the school previously had an additional class above their published admission number, and new housing developments in the area.

Please refer to the individual school's published admissions policy for information on how places are allocated in the event that two or more children live at the same distance from the school.

### **Measuring home to school distance**

In order to be fair to all applicants, the council uses a standard method of measuring home to school distance. Distance is measured in a straight line in metres using the School Admissions' computerised geographical information system (GIS) and data supplied by Ordnance Survey. The starting point of the measurement is a grid reference point within the property that is supplied by Ordnance Survey (the seed point). The end point is measured to the nearest named school gate set out in the admission arrangements.

We will not provide home to school distances to applicants ahead of a formal application being received and an offer being made. There are public websites available that can be used to calculate the distance between two points that will provide an indication of the home to school distance for the purpose of deciding which school preferences to name on your application.

Only distances generated by the local authority's GIS system will be used to determine the allocation of places. We will only use the grid reference points for the home address supplied by the Ordnance Survey and only measure to the school gate(s) determined by the school.

## Step 4: Completing your application

### Apply online from 1 September 2024 and by the closing date of 31 October 2024

You should apply online by going to [eAdmissions](#). However, if any of the schools you are applying for requires a supplementary information form, you must complete this and send it to the address stated on the form.

If you do not have internet access at home, it is free to apply online at any library in Kingston or you can ask about facilities at your child's primary school.

If you wish to apply online you must have an email address. The eAdmissions website has a link for you to register for a free email account.

The online application system is quick, easy and reliable, and can be accessed using a PC, laptop, mobile or tablet devices. The application process will guide you through each step and there are clear prompts to ensure you complete all the required sections. Your details are safe and secure, you can view your application at any time and make amendments to the form online until the closing date on 31 October 2024.

You will be sent an email with a reference number as confirmation that your application has been received. The reference number will be in a similar format to this: **314-2025-09-E-001234**.

If you do not receive an email with a reference number and it is not in spam or junk folders, you should log back into the eAdmissions system to make sure you submitted your application correctly. You may need to adjust your email software to receive 'no reply' emails.

If you have used the eAdmissions website to apply for schools before, please sign in to your existing online account. There are links to help you if you have forgotten your user name or password. If you have not used eAdmissions before, you will need to create a new online account before you can apply for schools. If you have any difficulty signing in to your existing eAdmissions account or creating a new one, please use the Help section at the top of the eAdmissions home page and choose either the 'Help - How to Register' or 'FAQs' (Frequently Asked Questions) sections.

If you still need help to sign in or create an account please contact the eAdmissions support desk, using the links in 'How to register' and 'FAQs' sections as this is the quickest way to get help. Alternatively, you can phone 020 8255 5555 and choose Option 1 to speak to someone on the support desk.

## Completing a paper application form

We recommend that you apply online if possible. However, if you are unable to do so please contact the admissions team by emailing [kingston.admissions@achievingforchildren.org.uk](mailto:kingston.admissions@achievingforchildren.org.uk) and we will offer you an alternative way to apply.

**Only make one application.** If we receive more than one application for the same child, we will only consider the most recent application received by the closing date. If separated parents each make an application we will not process it until the parents reach an agreement on which application should be used.

You will need to include the school's DfE number if you are making a paper application. For Kingston's secondary schools, each number is listed in the 'Kingston's infant, junior, primary and secondary schools' brochure available on the [Achieving for Children website](#). For secondary schools in other areas you should also be able to find this information in the relevant council's admissions brochure.

## Supplementary information form

A supplementary information form is only required when a school needs additional information to apply its admission criteria, or if your child is being tested for a selective school.

The following Kingston schools have supplementary information forms: The Holy Cross School, Richard Challoner School, The Tiffin Girls' School and Tiffin School.

You can download the forms for The Holy Cross School and Richard Challoner School from the schools' websites. Please return the completed form to the school. The supplementary information form for The Tiffin Girls' School and Tiffin School is available electronically, and you should register online by going to the relevant school's website.

It is your responsibility to check whether any schools you are applying for in other council areas require a supplementary information form to be completed.

If you apply to a school that requires a supplementary information form and you do not complete and return the form to the address provided on the form, the school will only consider your application based on the information on the application. This may reduce your chances of being offered a place at the school.

## Late applications

If your application is late, it will affect your chance of getting a place at one of your preferred schools. No places are held in reserve for late applications or certain categories of students.

Applications received after the closing date of **31 October 2024** will only be considered after all on-time applications received by the closing date. This is unless you are able to provide proof that there were exceptional reasons why you made a late application and it can be reasonably assumed that your application could not be made on time, and then only up to **12 December 2024**. The authority's decision on whether an application will be considered late is final. You will have a right of appeal to an independent panel once the allocated places have been published.

All applications received after **12 December 2024** will only be considered after those received by the closing date regardless of the circumstances. This includes applications received from residents

moving into the borough after this date. Please refer pages 20 to 22 for further information on moving house during the application process.

If you apply for a school place or move into the area after the allocation of places, you will still be able to apply and name up to six preferences. We will offer you a place at one of your preferred schools if this is possible. If all the places at your preferred schools have been allocated, your child's name will be added to waiting lists in criteria order.

## Child's home address

The address verification protocol is available on the [Achieving for Children website](#). We will make a decision as to whether or not to accept an address for admission purposes in accordance with the guidance. This applies to all applications and should be read in its entirety.

Your application must be made from a single address and only a single application can be made for a child. If parents live separately, you must read the information about joint care arrangements on pages 17 to 18 before deciding on which address to use on the application.

If your child lives elsewhere with someone who has legal care and control of your child which is due to a formal fostering arrangement through Social Services, you must submit official letters from the professionals involved to confirm this at the time of application.

The address you provide on your application must be where you are physically living with your child at the time the application is submitted. It is expected that you and your child will continue to live at the address used on your application until they start at their allocated school.

If you intend to move before September 2025, you must follow the process for moving home set out on pages 20 to 22.

## Reporting a change of circumstances

You must inform the School Admissions team immediately of a change in your circumstances. This includes (but is not limited to):

- your child no longer lives at the address provided on the application
- you and your child have relocated elsewhere in the United Kingdom or overseas for a period of 13 or more weeks, even if it is your intention to return to the address provided on the application before September 2025
- a change to the joint care arrangements for your child

You must provide information about the reasons for the change in circumstances and the timescale for the change. Your application will be reassessed against the admission arrangements for your preferred schools using the new information.

If you fail to notify the Admissions team of any change to your circumstances, this may be treated as an attempt to obtain a school place on the basis of intentionally misleading information. Your application and any offer we have made will be withdrawn in accordance with the School Admissions Code.

## Joint care arrangements

If your child lives between two properties, we will use one address to determine the outcome of an application: the principal parental address.

Separated parents do not have the right to choose which address should be used on their child's application. There is an expectation that parents are consistent in the address being used to apply for school places. This is to ensure that separated parents do not gain an advantage for admission to a preferred school based on distance by using different addresses on applications for their child.

In the absence of a formalised legal care arrangement, parents must provide a joint declaration stating the pattern of residency with each parent. The declaration, including the addresses of both parents, must be submitted at the time of making the original application. We will usually determine the principal parental address to be the address where a parent who holds parental responsibility permanently lives along with the child. In cases of shared care (both parents hold parental responsibility and care is split or shared), we will determine the principal parental address to be that of the parent where it is evidenced that they undertake the majority of care during the school week.

In cases where it is evidenced that shared care is exactly equal, we consider all available evidence that you provide to support your application. We will also consider information such as the principal address held by the current school, school census data, and the address previously used to apply for school places for your child or any siblings under the same care arrangements.

Once the principal parental address has been determined it will be subject to the same address verification checks as all other applications.

You are reminded that only one application can be submitted for your child, even if separated parents live in different boroughs. It is not appropriate for the council to become involved in private disputes between separated parents or carers. If you cannot agree who should make the application, or which schools should be named as preferences on the form, we will require a Specific Issue Order from the Family Court setting out who is responsible for applying schools. We will not proceed with any applications subject to a dispute until agreement can be reached. This may affect your child's chance of being allocated a place at a preferred school.

If you make an application without the consent of all those with parental responsibility, we will consider this as an intentionally misleading application. Your application, and any offer which has been made, will be withdrawn.

## The assessment of the home address for admissions purposes

The council is committed to following strict address verification procedures to ensure that only entitled pupils are offered places. We consider any school place obtained by deception, or because of deliberately misleading information, to be unfair as another child is being denied their lawful claim to that place.

We will verify the address you use on your application using council records and systems, agencies, fraud departments, education settings and other resources available to us. This is to confirm that the address you have given in your application can reasonably be considered your child's permanent home address for admissions purposes. If we are unable to verify your address information, or you have moved to the address given on the application within the last 12 months,

we will request further information as set out on pages 19 to 20. It is your responsibility to provide all the evidence necessary to support your application according to your circumstances.

If the School Admissions team does not receive sufficient evidence required to verify your home address, or the evidence is not provided within the timeframe requested, we will not accept the address provided on your application for admission purposes. This will mean that we will not apply any priority based on home to school distance to your child's application.

We will request further information if there are any doubts about the information provided, or where information has been received that suggests a fraudulent or intentionally misleading application has been made. We reserve the right to ask for proof of your address at any time during the application process, even after a school has been offered or accepted. We will make a judgement based on evidence available to us, and if necessary your child's place will be withdrawn.

**If you suspect that a parent has applied using an address that the child does not live at, please send an email to [kingston.admissions@achievingforchildren.org.uk](mailto:kingston.admissions@achievingforchildren.org.uk). Any information received will be treated in strictest confidence.**

### **The address to be used on the application**

To accept the address provided on your child's application, we must be satisfied that this is the address where you and your child are habitually resident at the time of applying, and where they will continue to physically live from the time of application to the point at which they start school. It is your responsibility to inform the School Admissions team of any change to your circumstance. If you intend to move before September 2025, you must follow the process for moving home set out on pages 20 to 22.

You must provide the Admissions team with information about all the properties that you are connected to in order for us to make an assessment on whether a property can reasonably be disregarded for admission purposes.

If you use an incorrect address or you fail to inform the School Admissions team of other properties which you are connected to, this will be treated as an attempt to obtain a school place on the basis of intentionally misleading information, and your application will be withdrawn as permitted by the School Admissions Code.

We will not accept an address you intend to move into in the future. This includes but is not limited to a property which you have rented or bought, or intend to rent or buy, or a property which is being renovated before you and your child occupy it.

We expect your child's home address to be a residential property that is their only or main residence, not an address at which your child may sometimes stay or sleep due to your domestic arrangements. We will not accept the address of a relative (unless it can be independently evidenced using documents issued by a government agency, that you and your child have been living there as a long-term and permanent arrangement), a friend or a childminder, a commercial address or a temporary address.

Temporary addresses include but are not limited to an AirBnB, guest house, hotel or serviced apartment, or the address for a family member or friend where you are staying because you have recently moved into the borough. If you are not able to provide a permanent address on your

application, we will not apply any distance priority to your preferences until a permanent address is secured.

If you own or rent a property which is used, or has previously been used, as your home address which is within commutable distance of an oversubscribed school, and you state that you are living at, and apply from, a different address which is closer to the school, we will normally treat the second address as temporary. This applies even if the property that is further away is not available for you to live in. We must be satisfied that your move is a permanent arrangement.

We will consider the following non-exhaustive list of factors when making a decision on whether the previous address will be disregarded for admissions purposes:

- the preference school(s) named on the application, and whether they are oversubscribed;
- if the address used gains an advantage in the admissions process based on the distance of properties to the preferred school(s)
- the timing of the decision to move closer to the oversubscribed school, and length of time that the arrangement has been in place
- the relative size of the respective properties, and their suitability to meet the family's needs
- if rented out, proof that the previous address has been let on a commercial basis at a market rent, the duration of any break clauses, and any familial or personal connection to the tenant
- any reasons and supporting documentation provided by the applicant to evidence the permanency of the move
- information from third parties, such as the current school, relating to the circumstances of the case

If you rent a property we will consider any break clauses included in the tenancy agreement when making an assessment of the permanency of your address. If your tenancy agreement expires prior to the start of term we will require further verification of continued occupancy following the date of expiration, even if this is after the school place has been offered.

We will not apply any priority under distance until your address is verified.

## **Moving into the borough or within the borough**

The rules about being connected to more than one property detailed in the policy will apply to all changes of address during the application process.

You must provide sufficient proof that the move is legally binding and that you and your child are habitually resident in the new property. We require evidence from **each** of the following groups which demonstrates your child's particular circumstances:

### **Group A (evidence relating to the new property)**

- a solicitor's letter showing the date that your purchase was completed
- A full copy of the Assured Shorthold Tenancy agreement that is signed by both landlord and you
- If you have moved back into a property you already own, you should send us proof of this, such as Land Registry

- A letter confirming placement at the address from social services, the UK Border Agency, the National Asylum Service, or the respective borough's housing department

**AND**

### **Group B (evidence relating to the previous property)**

- a solicitor's letter confirming that a property sale has completed
- a check-out report from a rented property, to show the date you handed in the keys
- a letter or email from the landlord/letting agent of a rented property, showing the date you moved out
- if you still own your previous property but have let it to tenants, a full copy of the tenancy agreement signed by you and your tenant. You must also send us a letter from your mortgage company that confirms they know about the arrangement

**AND**

### **Group C (evidence relating to habitual residency of you and your child)**

A copy of an electricity bill showing current levels of energy usage at the new property, and two further documents from the following list, showing your new address:

- a copy of your updated driving licence (a copy of an application to amend the licence is not sufficient)
- a GP letter showing you have registered your child at a local surgery which includes the date of registration
- confirmation of your home contents insurance or car insurance
- official correspondence from the HM Revenue & Customs, or the Department for Work and Pensions relating to benefit entitlement, dated within the last 3 months
- Vehicle Registration Document (V5C) showing your name and address

**AND**

### **Group D (if applicable to your circumstances, evidence relating to a child arriving from abroad)**

- evidence of your child's entry into the UK, for example a boarding pass or an entry stamp in the passport.

If you are arriving from overseas you must provide proof of landing, such as a copy of your child's boarding pass or immigration stamp in their passport before the Kingston address will be verified and used to measure home to school distance. Until this is received your child's distance and priority for school will be assessed as a child still living abroad.

Mobile phone bills, credit card statements, bank statements, and inclusion on the electoral roll are not proof that you live at the address, and will not be accepted. We will also not consider evidence which is dated later than the date it was requested by the School Admissions team.

If you are arriving from overseas you must provide proof of landing, such as a copy of your child's boarding pass or immigration stamp in their passport before the Kingston address will be verified and used to measure home to school distance.

We reserve the right to ask for further evidence if we have any doubts about the information provided. If your change of address cannot be supported by the evidence above, contact us for advice.

If you plan on moving house, you must still apply by the closing date using the address where your family is living at the time of applying, and provide us with details of the new address on your application form if it is known. It is your responsibility to tell us when you have actually moved and to provide the evidence detailed above before the address will be verified and changed on the system.

The deadline for you to send us evidence of a new address set out above for the first round of allocations (National Offer Day, 3 March), is **12 December 2024**. We will only use this address for the first round if your address is verified as being in the borough, you and your child are living at the new address, and your previous property can reasonably be disregarded for admissions purposes. If you move later than this date, we still need to see evidence of your move. We will take your child's new address into account for further offers if we agree to accept the new address.

### Reassessment of the home address

The offer made to you is based on the information you provided in your application, with the understanding that this is the address you and your child will continue to live at until they start school.

If the principal address for your child changes after the allocation of places has been made, we will consider the offer as made in error because it was based on information which no longer applies. We will reassess your application based on the new address information and this will result in the one of the following.

- The offer is confirmed because your child is still entitled to the place using the oversubscription criteria
- Your child's name is placed higher or lower on the waiting lists for your preferred schools based on the new address
- The offer will be withdrawn because your child no longer qualifies for the place offered using the new address and the oversubscription criteria for the school. In this case the offer of a new place will be made and your child's name will be placed on waiting lists at the appropriate point

This reassessment will be applied to all address changes that occur during the application period.

If you are resident in another borough your home local authority will be informed of the decision and will provide you with information on the next steps.

### Moving out of the borough

If you intend to move to another local authority it is your responsibility to contact the relevant local authority's School Admissions team for information about their address verification policy and the supporting documents required. Kingston Council's School Admissions team does not verify addresses which lie outside of this borough.

Once the receiving local authority has confirmed that they accept your address in their area, your application will be transferred for them to coordinate. Any existing offer you hold will be reassessed as set out in the policy.

Please include us in all communications with the other local authority to avoid delays to the transfer of your application.

If you wish to add additional preferences to your application ahead of your application being transferred, please amend your application form (if it is before 31 October 2024) or complete the change of preference form which will be available after National Offer Day.

## **Applications from families arriving from abroad, including the EU, from 1 January 2021**

Please see the separate information below regarding children of UK service personnel and crown servants returning from abroad.

In most cases, children arriving from overseas have the right to attend schools in England. It is the responsibility of parents to check that their children have a right, under their visa entry conditions, to study at a school before submitting an application.

If you have recently arrived from abroad, we recommend that you check that you have a right of abode or that the conditions of your immigration status otherwise permit you to access a state-funded school.

Children aged under 18 are classed as dependent children if they are the children of foreign nationals who have settled status in the UK, or who are entering the UK on a work visa or student visa, or who are part of a family entering or residing in the UK under the immigration route for British National (Overseas) citizens and their dependants. These children are entitled to enter the country with their family or to join their family and study at a state-funded school once in the UK.

Unaccompanied children may also enter the UK to access a school. To comply with their visa terms, unaccompanied foreign national children, and young people (including such EEA nationals entering the UK after 31 December 2020) who are entering on a child student visa or student visa must, when accessing education in England, study at the independent school, sixth form college or further education college that is sponsoring them.

Foreign nationals cannot use the six-month standard visitor visa, or 11-month short-term study (English language) visa, to enter the UK to enrol as a pupil at a school. Find out what these visas can be used for on the visa pages of [the Government site](#).

Irish citizens' right to live in the UK and access school places will not change. Irish citizens do not need to apply for the EU Settlement Scheme, but their family members, who are not Irish or UK citizens, will need to apply.

If you currently live abroad, we will accept an admission application ahead of your arrival. While you continue to live overseas your application will be based on your address abroad even if you are returning to a property you own. We will only accept a Kingston address for admissions purposes when you satisfactorily evidenced that you and your child are habitually resident in the property on a permanent basis, and you have provided proof of landing, such as a copy of your child's boarding pass or immigration stamp in their passport.

## Children of UK service personnel and crown servants

Kingston Council recognises the particular needs of families of service personnel and others serving the Crown, many of whom have to manage frequent moves from within the UK and overseas.

If you are a family of UK service personnel with a confirmed posting to this area, or a UK Crown Servant returning from overseas, you can apply for a school place by the closing date of 31 October 2024 using your intended address. Your application must be accompanied by official documentary evidence from your employer that confirms a relocation date and that your intended address is within the borough. We will use a unit or quartering address as the child's home address where a parent requests this.

The date you take up post must be before the beginning of term in September 2025.

UK service personnel and their families may obtain further information, advice and guidance from the [Children's Education Advisory Service](#) part of the Ministry of Defence's Children's Services Directorate and established to help service families, schools, local authorities and other organisations with any issue relating to the education of service children.

## Step 5: Submitting your application

The closing date for receipt of your application and any supplementary information forms is **31 October 2024**.

Before you submit your application please check that you:

- are familiar with the admission criteria for each school you are applying for
- are clear on the order you want to list the schools you are applying for
- do not waste a preference by naming a school where your child is unlikely to qualify for a place
- have considered naming your nearest non-selective school and you have used all six preferences, as this will increase your chances of obtaining a place for your child at one of your preferred schools

## Parent and carer declaration

When making your application you will sign a declaration to confirm that you have read the guide and understand your responsibilities as the applicant.

You will also confirm that you have parental responsibility for your child, and that you have the agreement of all people with parental responsibility to make your application or there is a court order allowing your application. It is not appropriate for the council to become involved in private disputes between parents or carers. You should attempt to resolve the matter of school preference between yourselves and inform us in writing, or through the family court by way of a specific issue order. Any applications subject to a dispute will not be processed until agreement can be reached, and this may affect your child's chance of being allocated a place at a preferred school, or result in an offer being withdrawn.

Please read through the checklist carefully and ensure you read the declaration before submitting your application by the closing date.

## Step 6: Being offered a place

### Your application outcome

National Offer Day is only the start of the allocation process. We plan the number of school places required according to the number that will be needed for children to start school in September, rather than at the time offers are sent out initially in March.

The offer process starts on Monday 3 March 2025 and continues during the spring and summer until children start school in September 2025. This means that some parents will not be offered a place for their child on 3 March, but experience shows us that places become available from movement on waiting lists, as families move out of the area or make alternative arrangements for their child's education. This does not mean your child is guaranteed to get a place at a preferred school from the waiting list, but if they are unplaced on National Offer Day, we will offer a place at an alternative school either at the point of initial allocation or before school starts.

If we are able to allocate a place at one of your preferred schools, we will offer you a place at the highest preference school we can allocate, whichever borough or county the school is in.

If we are not able to allocate a place at any of the schools you applied for and you are a Kingston borough resident, Kingston Council will offer you a place at another school where possible. This school will be the nearest Kingston school to your home address with places remaining. If this is not possible your child will be considered as unplaced and we will contact you to discuss your options.

If you applied online, you will be sent an email with the outcome of your application during the evening of **Monday 3 March 2025**. You will also be able to log on to the eAdmissions website [www.eadmissions.org.uk](http://www.eadmissions.org.uk) to view the outcome during the evening of 3 March 2025. If you applied on paper, you will be sent an email on 3 March 2025.

### Responding to the offer

You must accept or decline your offer by **Monday 17 March 2025**, either through the eAdmissions system if you applied online, or by completing the web form linked in your outcome email if you applied on a paper form.

We advise you to accept the school place offered to ensure your child has a school place in September, as you can always refuse this at a later date if you are offered a school you prefer. This will not affect your child's position on any waiting lists of your higher preference schools or your right to appeal.

Once an offer has been made (whether it is for a preferred school or for an alternative school), the duty to provide a school place has been discharged, and any further offer will be from the waiting list. If you refuse an offer you must provide information about the arrangements for your child's education from September. If we do not have this information, we are required to refer your child to the Education Welfare Service for further investigation as a potential child missing education.

Please note that your child will not be given any additional priority on the waiting lists if they remain unplaced when the academic year begins in September. You will continue to be responsible for providing a suitable education for your child until a place is offered.

You should be aware that your child's position on the waiting list is subject to change. The list must be maintained in accordance with the school's oversubscription criteria and re-ranked every time a new application is added.

## Further offers

From **Friday 28 March 2025**, we will re-offer any Kingston school places that may have become vacant since original offers were made from the waiting list, which must be held in the individual school's admission criteria order.

Please note that any further offer will not be shown on your eAdmissions account as this is only a portal for on time applicants to make application and receive the initial offer. Any further offers will be made by the Schools Admissions team (or your home local authority if you live out of the borough) and will be communicated to you by email. The schools must not make any further offers themselves under national coordination.

## Waiting lists

### Kingston schools

Your child's name will automatically be placed on the waiting list, in criteria order, of any school that is a higher preference than the school they have been offered. The names of late applicants will be added to waiting lists in criteria order regardless of the date the application was received.

Waiting list positions will be available from **Friday 28 March 2025** by sending an email to the School Admissions team. Faith schools and selective schools are responsible for ranking their own applications and you will need to contact them directly for waiting list information.

Waiting list positions are subject to change. Waiting lists must be re-ranked each time a new application is received. You should be aware that if an application is received for a child who has higher priority under the school's admission criteria, it can affect your child's position on a waiting list. They can move down as well as up the list.

Waiting lists will be maintained until the end of July 2026, and then disbanded. If you wish your child to remain on the waiting list for the following academic year, you must submit an in-year transfer application in June 2026.

### Other council areas

Schools in other areas may operate their waiting lists in a different way to this council. Please check what arrangements they will follow if you applied for a school outside of the borough.

## SECTION 3: Appeals

### General

You have the legal right to appeal against a decision not to offer your child a place at any or all of the schools you have applied for, even though your child may have a place at another school. Information on your right of appeal will be included in your outcome email, and you will need to contact the school directly for information about how to submit your appeal.

Your appeal will be heard by an appeal panel that is independent of the admissions authority whose decision you are appealing against. To ensure their impartiality and independence, there are strict rules covering the appointment of the appeal panel members. You have the right to attend the hearing to explain your case to the independent appeal panel.

The appeal panel will consider the grounds you give for appealing against the decision not to offer your child a school place, and the reasons given by the school's admission authority for refusing the place. The appeal panel's decision is binding on the school's admission authority, the parent and the local authority.

When considering whether you wish to appeal, you need to think about whether your reasons for wanting your child to attend the school are exceptional. If not, the likelihood of an appeal being successful may not be very high. To help you, the number of appeals heard and the number that were successful last year are given on each individual school's website.

Appeal panels follow a two stage process in reaching decisions.

- The panel must first decide whether the admissions authority for the school has satisfactorily made its case that the efficient education or the efficient use of resources will be prejudiced) if further children are admitted to the school in the year group concerned.
- Secondly, if the panel agrees that prejudice would be caused, it must balance that harm against your particular reasons for seeking a place at that school.

If your appeal is unsuccessful, a further appeal will only be heard in the same academic year if there are exceptional changes in your circumstances.

## SECTION 4: School information

Please refer to the 'Kingston's infant, junior, primary and secondary schools' brochure available on the [Achieving for Children website](#) for information about each of the state-funded schools in the Royal Borough of Kingston upon Thames, including the admission arrangements for 2025/26.

You can [find and compare schools](#) on [GOV.UK](#).

If you would like to view the report of an Ofsted school inspection, these are available to view online on the individual school's website and on the [Ofsted website](#).

## SECTION 5: Transfer to a university technical college or studio school at the end of Year 9

### University technology college or studio schools

Most children aged 14 years will continue with their education at the secondary school they are already attending. For the great majority of children, this will remain the most appropriate place for them to continue their education. The government requires councils to inform parents about schools that admit pupils in Year 10. These are called university technical colleges (UTCs) or studio schools. These schools offer an alternative education to a typical 11 to 18 secondary school. If you decide that you would like to apply for a place at any of these schools, please refer to their website for information.

#### UTCs

UTCs are set up by universities and business and specialise in one or two technical subjects. In Years 10 and 11, they offer a similar GCSE curriculum to a typical secondary school, including English and maths, as well as their specialist subject. More information is available at [www.utcolleges.org/utcs](http://www.utcolleges.org/utcs).

#### Studio schools

Studio schools are similar to UTCs in that they have employer involvement in the curriculum. They are designed for 14 to 19 year olds of all abilities. Studio schools are small schools for 300 students, with year round opening and a 9am to 5pm working day, they feel more like a workplace than a school.

Studio schools offer a range of academic and vocational qualifications including GCSEs in English, maths and science, as well as paid work placements linked directly to employment opportunities in the local area. They focus on developing the skills needed for employment, involving personal coaching and work experience, alongside a similar curriculum to a typical 11 to 18 secondary school. More information is available at [www.studioschoolstrust.org](http://www.studioschoolstrust.org).

There are no UTCs or studio schools in the Kingston borough, however, a list of all schools in the London area that admit pupils into Year 10, together with contact details, can be viewed on the [Achieving for Children website](#).

## SECTION 6: Sixth form and post-16 education

### Meeting the duty to participate

Every young person has to meet the duty to participate. However this does not necessarily mean staying at school; a young person should choose a post-16 route that meets their needs and aspirations. This could mean going to a further education or sixth form college, or taking up an apprenticeship or a job with training. Young people can also consider volunteering or setting up their own business. Schools have a statutory duty to offer impartial information and guidance to help young people make these important choices.

More information about post-16 learning programmes can be found on the [UCAS website](#).

For apprenticeships information and vacancies visit the [National Apprenticeship Service's vacancy matching site](#).

Kingston and Richmond boroughs offer a range of post-16 learning providers where a large selection of Level 3 programmes can be accessed, both at A Level and more vocational BTEC programmes. Some providers also offer post-16 Level 2 learning in a limited range of subjects for young people whose GCSE grades did not enable them to progress on to Level 3 programmes. Find the links to all our post-16 providers on our [AfC Info website](#).

## SECTION 7: Financial assistance

### Free school meals

To receive free school meals, applicants must be receiving one of the following.

- Income support
- Income based Job Seekers Allowance
- Income related Employment and Support Allowance
- Support under part IV of the Immigration and Asylum Act 1999
- The Guarantee element of State Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Children who get paid these benefits directly, instead of through a parent or guardian, can also get free school meals.

If you have any questions about free school meals please email:

[freeschoolmeals@achievingforchildren.org.uk](mailto:freeschoolmeals@achievingforchildren.org.uk)

Please speak to your child's allocated school about making an application.

### School uniform grant

Kingston Council does not provide school uniform grants to families on low incomes. Please contact your child's allocated school for information about any support they may be able to offer.

## SECTION 8: Schools in other council areas and independent schools

If you are a Kingston borough resident and you wish to apply for schools in other council areas, you must include these on your Kingston application. All councils produce a brochure similar to this one that gives full details of schools and their admission criteria as well as dates for open evenings. To obtain a copy of this contact the relevant council.

Check the admission criteria carefully for each of the schools you are applying to. Details of the nearest schools within the five councils bordering Kingston follow.
