

Develop **connection** with your child.
Help them **learn** early communication skills through
play.

Allow them to lead, be **relaxed** and **responsive**.

All you need is you and your child
How?

- Observe **what** and **how** they are playing
- **Join in** their world
 - **get down** to their level
 - let them **choose**
 - **imitate** their play, actions and sounds
- Enjoy them **noticing you**
- Allow for **pauses**
- **Respond** to behaviours or vocalisations the **same every time**
