

How to write an outcome

- **By** (time period)
- X **will** have gained the (description of skill)
- **so that** he can (measureable impact /behavioural observation)

Time period	Description of the skill that will be gained	Description of what the pupil will be doing differently
By the end of Year 6...	...Malie will have gained understanding and use of spoken language skills...	...so that she can hold conversations with other children and adults, describing (in simple detail) things about her everyday life
