

Hello!

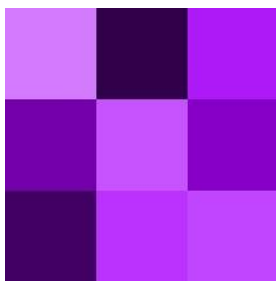

My name is Joan Myers

*I am the Associate Director for Health Services and
Chief Nurse at Achieving for Children*

I like...

Purple

When children are happy

I don't like...

Traffic Jams

Unfairness

My job

I manage the Emotional Health Service, Nurses, Therapists, Short Breaks & Participation

I provide information to improve services for children and young people and their families

I make sure that the care children and young people and their families receive is safe and good quality

How to contact me
