

BRISTOL AUTISM PROJECT **MAY ACTIVITIES 2018**

Dear BAP Member,

Unfortunately our provider who has helped to run these events for several years has recently withdrawn from the project. We have therefore only been able to organise a limited programme for the May half term and use a venue with support staff available. However our teams are working hard to try and find a way to staff these events so they can continue and we hope to be able to deliver a great summer of BAP events later this year.

Please see the official public statement from Bristol City Council on the BAP Page on the Findability website, you can copy and paste the link into browser to take you to the statement. http://www.findabilitybristol.org.uk/blog_articles/1759-bristol-autism-project

Hop Skip and Jump on Tuesday 29th May and Thursday 31st May 10-12pm

We have been able to secure familiar additional support staff from the Hop, Skip & Jump centre and have booked two sessions over the May period both of which are open to the all ages as a Family Days.

These are drop in sessions and there is no need to book.

HOP, SKIP & JUMP - GRIMSBURY ROAD, KINGSWOOD: BS15 9SE

Hop, Skip and Jump is a specialist provision for all disabled children and their families. We book exclusive use of the whole centre, indoors and outside for our members.

Parents are always ultimately responsible for the safety of their own children and must remain on site at all times.

Cameras or mobile phones should not be used on site except in an emergency. Parents may make a call from the lobby area or outside in the car park but must not leave the premises. (This is due to the potential risk of unauthorised photography of other people's children)

* Any child wanting to access the outside equipment must be accompanied by a parent or responsible adult at all times. These facilities are only available when Hop, Skip & Jump staff assess that it is safe to do so.

Thank you once again for your understanding in these exceptional circumstances, with best wishes
