This is all we ask.....

Treat us with respect and dignity.

Listen to what we have to say.

Stay calm with us, even if we don't stay calm with ourselves.

Let us know what is going to happen.

Help us to stay safe.

Talk to us, not about us.

Allow us to make choices and decisions for ourselves.

Give us time to respond and interact in our own way.

Try to understand us; we can't always explain our feelings.

Tell us what we are good at, it builds our confidence.

Help us to have fun; we can only learn when we are happy.
