

30 Hours reminder for parents and carers Don't miss out on funding!

Make sure you get your code, or reconfirm your eligibility if you already have a code, in time to get the funding for the term.

Remember you need to reconfirm your eligibility every three months.

Make sure you apply or reconfirm your eligibility early to ensure that you do not miss out on the funding for the term, as the application process with HMRC can sometimes take longer than expected.

To apply or reconfirm your eligibility go to www.childcarechoices.gov.uk or contact HMRC on 0300 123 4097.
