

Kingston Council Trainee Programme

Starting May 2019

Six week minimum programme

Content of the programme includes:

- an introduction to working in public services
- opportunity to develop skills to prepare you for a paid apprenticeship with the Council
- work experience expenses covered and vouchers for full attendance
- a four week work placement opportunity in one of the following council services

Customer Services

Regulatory Compliance Services

Music Services

Community Rangers Service

Repairs and Maintenance

Business Support

Commissioning/Procurement

Human Resources

- mentoring and careers guidance
- maths and English support

Successful completers will be fast tracked through to the interview stage of any apprenticeship vacancies available at the end of the programme and will be offered first opportunity to be interviewed for other future apprenticeship vacancies.
