The vision

Developing a clear vision involves thinking about these key elements:

Importance of a strong team

Applying for, setting up and opening a free school is an extremely demanding process. It's essential that you have a strong, committed team with a wide range of skills working on the project.

Some of the challenges your team will face include:

Engaging with stakeholders
and commissioners

Building a financial plan for
the school

Designing a curriculum

Managing the project as a
whole

Establishing your curriculum and ethos

You must have the following:

- Education expertise relevant to the type of school you want to set up
- Finance expertise
- Governance expertise

You should have the following:

- Project management expertise
- Marketing/communications expertise

Necessary for pre-opening:

- HR expertise
- ICT expertise
- Buildings and sites
- Legal expertise
- Business/start up experience

How NSN can help you

Development Programme

A combination of the following:

- A named personal NSN Adviser
- A personalised support plan
- Written feedback on draft applications
- Specialist meetings
- Networking with other free schools

Support for all groups

- An hour long 1-1 meeting with one of our Advisers
- Advice from the team via phone and email
- A wide range of resources on our website.

NSN Development Programme

Feedback we have had from groups who have been on the programme has been overwhelmingly positive, and approval rates for groups on the programme shows its success.

100% of those who have received this additional support in the past said it was helpful

You are 50% more likely to be invited to interview.

11 of the 14 successful free schools from the local authority-led special free school round wave 1 received NSN support.

“The Development Programme was excellent and offered appropriate support, challenges and rigour.”

“We couldn’t have done it without you! Thank you so much for keeping us on track and motivated.”

Enrolling onto the DP
