Inclusive Play Sessions

Mile End Children's Park, Locksley Street E14

1-3pm | All ages

Every Monday in August, 1-3pm, the Mile End Park team will be running inclusive play sessions in our children's park. We want to give children with disabilities or access needs the chance to play and explore with their families. Playworkers will be supervising activities such as treasure hunts, sensory play, ball games, and more! These sessions are free and available children of all ages.
