

Spear Programme information

What is the Spear Programme?

Spear is an award winning, highly interactive programme to help NEET 16-24 year olds get into work. **Over 75% of our foundation completers get into work/education and are still in work a year later.**

2018/19 Start Dates

This first day is an 'Introductory Session', **1.45pm** for a 2pm start, where young people can find out more about Spear and decide if they want to enrol. **Places are given on a first come first served basis.**

Tuesday 17th September 2019
Tuesday 5th November 2019

What's involved in the programme?

The Spear Programme is free, and involves two phases:

Spear Foundation

- 6 weeks, Monday-Friday between 2-5pm
- One-to-one and group coaching
- Job-skills matching
- Job application support
- Impressive CV and cover letters
- Interview training
- Communication and presenting techniques
- Confidence and motivation development
- Customer Service qualification

Spear Career

- Twelve months of personalised coaching to enable career progression
- Intensive into-work support
- High volume of job applications
- Specialist job opportunities for Spear candidates
- Job application workshops
- In-work support
- One-to-one career coaching to help support young people in work
