Who are we?

We are a team of experienced youth workers who work with 11 to 19 year olds in Kingston and Richmond to provide fun, affordable and developmental activities

What do we do?

We provide young people with a safe space where they can meet their friends, talk to staff, or take part in activities.

We meet with young people to plan positive affordable activities that run during their leisure time.

We are friendly adult professionals young people can chat to.

We advocate for young people to ensure they have a voice.

We run accredited awards for activities such as AQA Unit Awards and the Arts Award.

We offer support on issues young people sometimes face such as stress, substance misuse, relationships, sexual health, school, careers, internet use, etc.

We operate the Ccard scheme.
