WHAT IS THE KRYC?

Kingston and Richmond Youth Council (KRYC) is a collection of 15 young people, democratically elected by you to represent young people of Kingston and Richmond.

WHAT DOES KRYC DO?

We actively represent the views, wishes, fears and aspirations of young people through research, consultation, events, projects and local campaigns.

We hold regular meetings every Monday from 5.30 to 7.30pm which anyone is free to attend. We work hard to ensure young peoples' voices are heard and acted on by AfC managers and Richmond and Kingston Council elected officials.

Campaigning for young people's rights is our passion and is at the heart of everything we do.
