

Welcome to the  
**Consultation form for  
Child Protection**

# 4-10 YEAR OLDS

We are having a special meeting all about you. It's called a child protection review and the meeting will make a plan that will keep you safe. To make sure we are making the right plan for you, we need to know how things are going and how you're feeling. You can let us know this by filling in this form with your social worker. That way, you can get your say!
