Dear

My name is Mark and I am your Independent Reviewing Officer, or IRO for short. Every child or young person who is Looked After must have an IRO. I enjoy fitness and being healthy and active. My latest venture is rock climbing. I also love Game of Thrones, visiting the coast and walking my dog Maddie. I dislike being late, waking up before my alarm goes off! and football.

As an IRO my job is to chair your review, check that there is a clear plan for your care (care plan) and to make sure that everyone is doing what they need to while you are in your placement.

The review meeting is a chance to talk about how you are getting on and to make clear plans for the future. It is also a place for you to have your say about what is happening to you. Your first review meeting usually happens when you have been looked after for 4 weeks. There will be a second review meeting after a further 3 months and then one every 6 months after that.

Your first Review meeting will be held on:
