- **Faiths/ Beliefs available** *Muslim, Jewish, Roman Catholic and Church of England/Christian* chaplains are **on call 24/7** and can be contacted **via switchboard**. If we can't be there in person we can say prayers on the phone or via tablet video call.
- **Other Faiths & Beliefs** If the family wants to contact their own faith/belief representative you can facilitate virtual visit via tablet. We can help with that. We can also offer general spiritual support if acceptable to the patient/family.
- **Virtual Contact** can be facilitated by chaplains via tablet video call with the family especially once the patient is extremely unwell, dying, or after the death.
- **Bereavement Support for families** our volunteers will be available to speak to the families on the phone. Please, leave us a message with their number on #42070 and we will contact them.
- **Staff Support** Deaths on the ward have impact on all of us. Let us know if you or somebody in your team would like to speak to one of the chaplains.
