Homelessness covers a wide range of circumstances from being 'roofless' to being without a home of your own; many 'homeless' people are living with families or friends in temporary or inappropriate accommodation. If you are homeless or think you may become homeless in the near future, we can give you advice about your rights and the housing options available to you.

Miles for Men:

07479 934400

Asylum Seekers:

If anyone presents at the hub as an Asylum Seeker, please share their information with Traceyann.richardson@hartlepool.gov.uk who will be able to provide vouchers.
