Phase transfer timeline

Spring Term:

March 31st - Issue Final EHC plan for
post-16 phase transfer

School Options in Barnet

- Majority of children transfer to their local college – young people are invited to express a preference for any Post 16 setting, however need to consider how the young person will travel to setting
- SEN consult with both setting of preference and the local FE College if preference is further away

Post 16 Settings

- 6th Form settings
- Barnet & Southgate College
- Other FE Colleges
- Alternative provision:
Oakbridge/Harrington Scheme/Capel Manor etc
- Supported Internships

Local Authority Consultation

- Where a parent or young person does not make a request for a particular nursery, school or college, or does so and their request is not met, the local authority **must** specify mainstream provision in the EHC plan unless it would be:
 - against the wishes of the parent or young person, or
 - incompatible with the efficient education of others

Local Authority Consultation

- The LA must name the setting unless:
- the setting is unsuitable for a child's age, aptitude or to his/her special educational needs
- the attendance of a child/young person at the school/college would be incompatible with the provision of efficient education with whom he/she would be educated
- the efficient use of resources:
(this includes all costs ie. individual adult support/therapy/transport)
