

Hello!

**We are the
Neurodevelopmental
Service**

We see people if...

You have or may think you have a learning disability, ADHD or Autism Spectrum Disorder.

Have a GP in Kingston or Richmond.

You are 18 years or over. If you are between 16-18, we can work with you and other professionals to help you to prepare for turning 18.

Our job is to...

Diagnose adults affected with a learning disability, ADHD and Autism Spectrum Disorder

Provide specific treatments and specialist healthcare interventions

Work with other professionals in your network and provide training in a number of areas

Our team provide adults with the following...

Dietetics

Nursing

*Speech and
Language Therapy*

Physiotherapy

*Psychology / PBS
Psychiatry*

*Occupational
Therapy*

How to contact us

*Hollyfield House,
