## Our job is to...

produce and look after education, health and care plans (EHCPs) for young people who are aged between 14 and 25 years

help young people with their hopes and plans for moving towards adult life

## What we do

- We speak to you and your family to get your views and hear about what your hopes are
- We work with your school or college to check you are getting the support you need
- We work with other professionals to help you plan for your future
