Across Kingston and Richmond, within the Local Offer, we have a number of options that may suit you

St Francis Xavier Centre

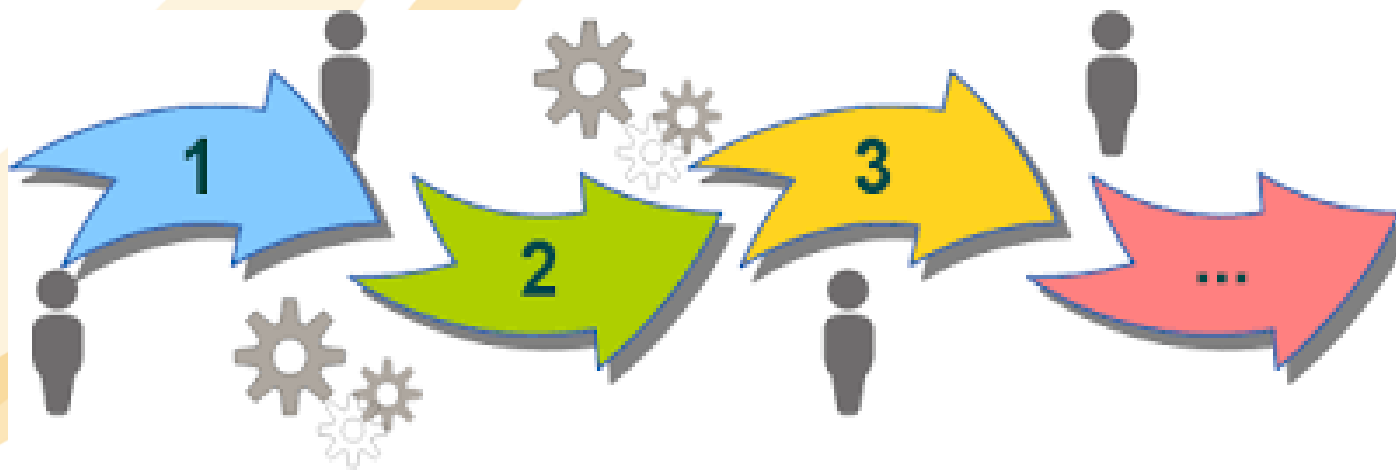

Why do we need to know your choices now?

- So we can plan with you and those who are and will be supporting you, to make sure everything you need is ready for September. This can take a long time.

The Government says everything must be done by the 31st March.

As soon as we get your choices we will:

- Make sure your EHCP is up to date
- Start talking to the right people
- Send them the information they need
- Ask them if they can provide what you need
- A placement is agreed and named in your plan.

Someone from your new placement will be invited to your Annual Review to support your transition

Good luck for the future
