

Healthy

achieving
for children

Early Years London

Healthy Early Years London is an awards scheme funded by the Mayor of London to support and recognises achievements in child health, wellbeing and development in early years settings.

There are four levels of award which can be used to improve practice and help to reduce health inequalities. There are 12 health priority themes that support a healthy start in life.

Emotional
health

Speech
and
language

Healthy
eating

Oral
health

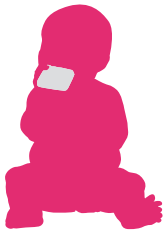

Child
safety

Physical
activity

Self-care

Immunisation

Sustainability

Home
learning

Supporting
additional
needs

Cognitive
development

How can I get involved?
