COVID-19 information

A quick guide for parents and carers

Please follow the advice in this guide. Only contact the school if your child is having a test and to let us know the result. Your school will not be able to advise beyond the information given here. Please remember to only get tested if you have COVID-19 symptoms.

YOU SHOULD BOOK A TEST IF YOUR CHILD HAS:

a high temperature

This means they feel hot to touch on their chest or back (you do not need to measure their temperature)

or a new continuous cough

This means coughing a lot for more than an hour, or three or more episodes in 24 hours (if they usually have a cough it may be worse than usual)

a loss of or change to your sense of smell or taste

or

This means they've noticed they cannot smell or taste anything, or things smell or taste different to normal

If your child DOES NOT have symptoms of COVID-19 but has other cold-like symptoms, such as a runny nose, they do not need to be tested and they or members of your household do not need to self-isolate. Your child can attend school if fit to do so.

What to do if	Action needed	When can mychild return to school?
My child has COVID-19 (coronavirus) symptoms	 Do not send your child to school Book a test for your child Whole household & support bubble to self-isolate Inform school immediately about test result 	If test is negative and child is well enough, and not advised to self-isolate by test and trace service
My child tests positive for COVID-19 (coronavirus)	 Do not send your child to school Child to self-isolate for at least 10 days from when symptoms started (orfrom day of test if no symptoms) Inform school immediatelyabout test results Whole household & support bubble to self-isolate for 14 days from day when symptoms started (or from day of test if no symptoms) 	They can return to school after 10 days as long as they have not had a fever in the previous 48 hours. They can return after 10 days even if they have a cough or loss of smell / taste. These symptoms can last for several weeks once the infection is gone

What to do if	Action needed	Whencanmy child return to school?
Somebody in my household & support bubble has COVID-19 (coronavirus) symptoms	 Do not send your child to school Household & support bubble member with symptoms to book a test Whole household & support bubble to self-isolate while waiting for test result Inform school immediately about test results 	When household & support bubble member test is negative, and child does not have COVID-19 symptoms and if child has not been advised to self isolate by test and trace services
Somebody in my household & support bubble has tested positive for COVID-19 (coronavirus)	 Do not send your child to school Whole household & support bubble to self-isolate for 14days from day when symptoms started (or from day of test if no symptoms) - even if they test negative during those 14days Inform school immediately about test result 	When they have completed 14 days of self-isolation without symptoms. They must self-isolate for 14 days even if they test negative during that time
NHS Test and Trace has identified my child as a 'close contact'	 Do not send your child to school Child to self-isolate for 14days (as advised by NHS Test and Trace) – even if they test negative during those 14days Rest of household & support bubble does not need to self-isolate, unless they are also a 'close contact' 	When they have completed 14 days of self-isolation without symptoms. They must self-isolate for 14 days even if they test negative during that time
Your child has been in contact with someone who has been identified as a 'close contact'	 Attend school as normal If your child does not have any COVID-19 symptoms they should carry on with normal activities 	Attend school as normal
We / my child has travelled abroad and has to self-isolate.	 Do not send your child to school Whole household & support bubble to self-isolate for 14days – even if they test negative during those 14 days 	When the quarantine period of 14 days has been completed for the child, even if they test negative during those 14 days
	 Travel reminders: Do not take unauthorised leave in term time Consider quarantine requirements and FCO advice when booking travel Provide information to school as per attendance policy 	
We have received advice from a medical / official sourcethat my child must resume shielding	 Do not send your child to school. Contact school as advised by attendance officer/pastoral team Child to shield until you are informed that restrictions are lifted and shielding is paused again 	When school / other agencies inform youthat restrictions have been lifted and your child can return to school again
