

# Physical intervention (PI) training

De-escalation and positive  
handling for primary aged children

---

A two hour training package covering:

- de-escalation strategies
- graduated approach
- DfE guidance
- physical handling
- recording and reporting of incidents
- rebuilding relationships and managing feelings afterwards
- giving staff confidence to manage challenging situations in a school setting

This training is offered for up to 12 adults by an accredited Positive Intervention (formerly Team Teach) trainer - £299. Please contact EISS for further details.

Note: This course is not Team Teach training and will not offer you any accreditation.
