

## Havering SENDIASS

### A guide for young people

#### What we do

**FREE INFORMATION, ADVICE** and **SUPPORT** on matters relating to education, health and social care

For **CHILDREN** and **YOUNG PEOPLE** aged **0-25** with **SEND** (special educational needs and disabilities)

We also offer support to **PARENTS/CARERS** of children with SEND

We are **IMPARTIAL** which means we are **FAIR** and **EQUAL** to everyone

We keep your information **CONFIDENTIAL**

If we feel you are **unsafe** and **need extra support**, we can **share your information** with the **safeguarding team**

You have the **right** as a young person to get your **own advice and support**

## Having SENDIASS can

- **Listen** to your enquiry
- Give you **information** about getting the **right support** at school, college or in your training
- Provide you with **information, advice and support** with your questions about education, health and social care
- **Talk** with other **professional services** if you need us to
- Give you **details of other organisations** to help you such as **support groups** or **professional agencies**
