

Gainford Care
Lindisfarne Care Home
Masfield Road
Hartlepool
TS25 4JY

Lindisfarne Hartlepool is a purpose-built care home that specialises in the care of those suffering from Dementia. Each of the home's 54 rooms offers ensuite facilities and a television point, telephone connection and modern furniture.

Action 1

Dementia awareness.

- All staff to be dementia friends – we have some already
- All staff to complete the NCFE in dementia care

Action 2

Dementia Safe Haven

- We are the identified safe haven, in partnership with Cleveland Police.

Action 3

Dementia friendship community activities

- We will share information and support local events by facilitating residents and family members to attend them.
- We will share and display information about local support and events and signpost people to The Bridge and Hartlepool carers.
- We will share information about local events with residents, staff and visitors
