St James The Apostle is a member of the Church of England and is a 'Forward in Faith Parish' that is under the pastoral care of the Bishop of Beverley. We are a welcoming community who worship with simple dignity and engage in learning the Christian faith together.

Action 1

Dementia Awareness

- The vicar and 25 members of our congregation are dementia friends and we will encourage others to do so.
- We will share information about local support and events and signpost people to The Bridge.
- We will share information about a local conference re. dementia friendly churches and apply new learning

Action 2

Dementia design

We will host the local DEEP group at a visit to St James Church in April 2018 to explore how our environment can be more dementia friendly and determine actions.

Action 3

Dementia friendly services

This will include within all communications and marketing materials and social media platforms, wherever appropriate.

Action 4

Home visits

We offer home visits when needed and are mindful of communicating well with those living with dementia and offering support to family members.
