### **Action 1**

#### **Staff training**

Staff to receive dementia awareness training and wear their Dementia Friends badges.  
In house trainers to become Dementia Champions to include dementia training with new recruits.  
Training to commence at The Bridge Dementia Awareness Service.

### **Action 2**

#### **We will raise awareness of dementia during safe and well visits**

Bringing together to signpost. Continue to refer to The Bridge with any concerns of clients who may have a dementia.

### **Action 3**

#### **Home fire safety information**

Deliver home fire safety information in a personal centred way to suit the needs of the client.

### **Action 4**

#### **Signs and aids**

We will use Dementia friendly aid Memoirs (specialist products purchased) when required, and ensure we have clear signage in community rooms to make the environment more dementia friendly.
