Action 1

Promote – Displaying The Bridge leaflets in store

We will display the leaflet in our health promotion site and keep one in our signposting folder.

Action 2

Ongoing staff training and awareness

We will make sure that all staff are trained and raise awareness with customers and patients who use our pharmacy with the leaflets provided, and signposting to the relevant services.

Action 3

Raise awareness with customers

We will raise awareness with customers and patients who use our pharmacy with the leaflets provided and signposting to relevant services.
