Care and Housing Charity for Older People

Action 1

We will ensure all staff receive an awareness session and are invited to become Dementia Friends and we will include dementia awareness in the induction of all staff, including our Dementia Language policy.

Action 2

We will make sure that all people living with dementia and their Carers, with whom we work, have access to information and support via our staff, services and the Bridge.

Action 3

We will support Dementia Friendly Hartlepool, ensuring Hartlepool is always working towards being dementia friendly.

Action 4

As an organisation, we will support Dementia Action Week and also World Dementia Day annually.
