

HEADWAY HARTLEPOOL

Headway Hartlepool, which is part of the Headway UK charity, is one of a network of regional branches dedicated to helping brain injury survivors and their family, friends and carers. We aim to promote understanding of all aspects of brain injury, provide information and drop-in services to survivors of brain injury and those involved in supporting their recovery.

Have you or a loved one suffered from a brain injury?

Would you benefit from meeting with a brain injury support group?

Would you benefit from doing appropriate activities with the group?

Could you help us build and shape Headway Hartlepool?

If the answer is **YES** to any of the above questions we would love to meet you!

We have monthly meetings at the People's Centre, Raby Road, Hartlepool, TS24 8AH from 10am until 12pm on the first Wednesday of every month.
