

'Outstanding' live-in care

With the highest possible rating from the Care Quality Commission (CQC) in England and Care Inspectorate (CI) in Scotland, and more award wins than any other dedicated live-in home care provider, The Good Care Group offers one simple thing: care without compromise.

Our professional carers can support with:

-  Household duties
-  Condition-led care
-  Accessing your local community
-  Running errands
-  Personal care
-  Mobility assistance
-  Companionship
-  Medication management and administration

Why choose The Good Care Group for live-in care?

-  **Fully-managed service** - we employ, train and supervise all of our care staff, and there'll always be cover if a carer is absent.
-  **In-house expertise** - a Specialist Care Service led by clinical experts - a dedicated Consultant Admiral Nurse and an Occupational Therapist.
-  **Rated 'Outstanding'** - highest possible rating by the Care Quality Commission.
-  **Continuity of care** - care delivered by the same small team of regular carers.
