Raising Awareness

Signposting carers to The Bridge to access their carer education sessions.

Offering support to the carer of someone living with dementia and offering advice and guidance around their frustrations.

When networking, explain the dementia friendly work that is being carried out, promote dementia friends sessions.

To create a Dementia Friendly environment

Change carpet in reception as pattern can be misleading.

Label all room, paint all toilet doors.

All staff in Hartlepool Carers are Dementia Friends, changes have been made to the environment and we will raise awareness of dementia and promote the dementia friendly work that dementia friendly Hartlepool are doing.
