How can your organisation help to support people with dementia and families?

Provide extra support to patients with dementia e.g. nomad systems, MAR charts, collection and delivery service. Support dementia awareness week and pledge to have displays to raise awareness in the pharmacy.

Action 1

We will support Dementia Awareness Week, we will obtain material for the health improvement library and support local campaigns.

Action 2

Ensure we specifically check with patients with dementia and carers to help into extra support in terms of medicine administration, nomad systems and charts to improve and make living a little easier.
