### **Action 1**

#### **Dementia Friends**

All staff aim to be dementia friends and support this initiative

### **Action 2**

**The team will work with The Bridge to enable people to get the right support from the right person at the right time.**

Staff will maintain links with The Bridge, signpost people to the dementia advisory service and circulate information regarding events.

### **Action 3**

**The team will support local initiatives to raise dementia awareness within Hartlepool.**

Staff will promote and support local initiatives and facilitate resident's participation in activities such as the dementia cafe, memory walk, dementia awareness week etc.

### **Action 4**

#### **Child friendly information**

We are keen to promote dementia awareness and have installed a book case which we are developing into a resource with information and books to help families understand dementia. This is particularly re books for children about dementia and reminiscence books to help them talk with people living with dementia.
