

Healthwatch Hartlepool
The ORCEL Centre
Wynyard Road
Hartlepool
TS25 3LB

Healthwatch listens to the people of Hartlepool about their experiences of using Health and Social Care services and provides a signposting service to allow patients to make informed choices on local health and social care services.

Action 1

Feature articles and promote dementia support services in the Healthwatch Hartlepool Newsletter.

Action 2

Attend events and give support to dementia support services.

Action 3

Signpost people to local dementia support services.

Action 4

Listen to patients, carers and families that live everyday with dementia.
